Joyce M. Wilson,2002-06 **Proceedings of the Society of Antiquaries of Scotland** Society of Antiquaries of Scotland,1904 Includes List of members The Chronicles of Arax Benjamin Sanford,2022-06-28 Our actions define us as heroes or cowards not our intentions Such is the nature of war Arsenc Men march beside their comrades into walls of spears and under rains of arrows refusing to relent so as not to shame themselves before their brothers For every man who shirks his duty and abandons his post a hundred stand their ground What more can a hero be than a man who risks his life for country and friend in spite of the obvious fear that strikes at us all The paths of war and heroes are forever intertwined War does not create heroes It merely reveals them They are not measured by the greatest of deeds but by the simple willingness to do their part I am marching north in their company King Lore before the battle of Kregmarin Having

freed Cronus from the dungeons of Fera his friends must navigate the treacherous lands of the Benotrist realm to escape Tyro's wrath Tosha hunts Raven desperate to bring him to her mother's realm or suffer the shame of failure before her vassals Leanna eagerly awaits the return of her lost love while Terin must return to his native realm after becoming separated from the others Journeying first to the Yatin Empire and then Corell Terin continues to unlock the full power of his father's sword embracing the mysterious destiny guiding his path Tyro obsesses over the images carved on Terin's lost necklace haunted by the ghosts of his past while unleashing Morac to wage war on the Torry realm With the fortunes of his kingdom at stake King Lore makes a bold decision With the conflagration spreading across Arax will the fate of the kingdoms rise and fall by the fickle winds of chance or the guiding hand of destiny *The Ulric Chronicles: The Four Treasures* David Mors,2012-10-14 The Four Treasures starts with a celebration and the promise of another great event and good news Andrew soon feels a longing for more of a purpose and answers to long asked questions He and his grandfather Gildas embark upon a happy journey in their new ship which is magickal and steers itself Once on the mainland there are signs that all may not be well with the High Priestess Morvida who having left on a mission to minister to the Brithons of Wessex Dyfed and Gwent has not been heard from in over a month Andrew is led deeper into intrigue of battles and captives all orchestrated by a vengeful hand which seeks to draw him nearer but to what end *Exploring Ancient Skies* David H. Kelley,Eugene F. Milone,2005-12-06 Exploring Ancient Skies brings together the methods of archaeology and the insights of modern astronomy to explore the science of astronomy as it was practiced in various cultures prior to the invention of the telescope The book reviews an enormous and growing body of literature on the cultures of the ancient Mediterranean the Far East and the New World particularly Mesoamerica putting the ancient astronomical materials into their archaeological and cultural contexts The authors begin with an overview of the field and proceed to essential aspects of naked eye astronomy followed by an examination of specific cultures The book concludes by taking into account the purposes of ancient astronomy astrology navigation calendar regulation and not least the understanding of our place and role in the universe Skies are recreated to display critical events as they would have appeared to ancient observers events such as the supernova of 1054 the lion horoscope or the Star of Bethlehem Exploring Ancient Skies provides a comprehensive overview of the relationships between astronomy and other areas of human investigation It will be useful as a reference for scholars and students in both astronomy and archaeology and will be of compelling interest to readers who seek a broad understanding of our collective intellectual history Canadian Books in Print ,2003
