Building Peace in America Emily Sample, Douglas Irvin-Erickson, 2020-07-22 America may not be at war but it is not at peace Recent public and political rhetoric have revealed the escalation of a pervasive and dangerous us versus them ideology in the United States This powerful book is motivated by the contributors recognition of continuing structural violence and injustice which are linked to long standing systems of racism social marginalization xenophobia poverty and inequality in all forms Calls to restore America s greatness are just the most recent iteration of dehumanizing language against minority communities The violation of the civil and human rights of vulnerable groups presents a serious threat to American democracy These deeply rooted and systemic inequities have no easy solutions and the destructive nature of today s conflicts in America threaten to impede efforts to build peace promote

justice and inspire constructive social change Acknowledging the complexity of building peace in the United States this volume represents the first step in envisioning a more just peaceful country from the grassroots to the highest levels of leadership The editors have brought together a diverse group of scholars conflict resolution practitioners civil society leaders community peacebuilders and faith leaders who are committed to pro social change Collectively they examine how best to understand the current issues deescalate destructive public rhetoric undermine the us versus them polarity and support those currently working for positive change Together the contributors share experiences and perspectives on the past present and future of peacebuilding develop a vision for how we can collectively respond in our communities campuses and congregations and catalyze action during this pivotal moment in America **Communication Catalog 2005** Neil Thomson,2004-09 **Gendered Lives** Julia T. Wood,2001 Written by the leading gender communication scholar this text introduces students to theories research and pragmatic information that demonstrate the multiple often interactive ways in which gender images of masculinity and femininity are shaped within contemporary culture Communication in a Civil Society Shelley D. Lane,Ruth Anne Abigail,John Gooch,2016-04-28 Uncivil acts and messages too often color our experience with others Communication in a Civil Society offers an alternative way to teach and learn about communication Every chapter focuses on communication based on respect restraint and ethical choices
