Bysshe Shelley Cambridge Library Collection:

The Life of Percy Bysshe Shelley John Worthen, 2019-02-13 Drawing especially on the many scholarly discoveries of recent years this biography examines the life and death of one of the greatest Romantic poets Based on sceptical historical investigation and featuring an in depth look at Shelley s personal financial and familial situation it builds a compelling narrative about a controversial writer and thinker whose personal and philosophical convictions caused much turmoil during his short yet extraordinarily influential life The Life of Percy Bysshe Shelley reveals sides of the author not often studied It looks at Shelley as an intensely loving thoughtful and responsible man and father who except in one case took exemplary care of the women he loved and who fell in love with him It shows how significant his status as a gentleman was it examines his poetry letters notebooks and discursive prose so that readers can comprehend the most important concerns of his life it explores the financial and medical grounds for his years of exile it is also the first biography to take account of his recently discovered early long poem the Poetical Essay on the Existing State of Things This biography offers readers a unique look at a famous poet scholar gentleman democrat atheist and tragic icon of English Romanticism

Fair-copy Manuscripts of Shelley's Poems in European and American Libraries Percy Bysshe Shelley, 1997 Makes key resources widely available These books provide the only complete record much fuller than that available through any other printed source of the major manuscripts of Lord Byron Percy Bysshe Shelley John Keats and Mary Wollstonecraft Shelley Valuable primary information These editions with their expensive facsimile reproductions beta radiographs of the watermarks detailed bibliographical descriptions transcriptions textural notes collations bibliographies of relevant studies of the MSS and indexes will remain repositories of primary information on the poems and prose of the younger Romantics for the next century

The Complete Poetry of Percy Bysshe Shelley Percy Bysshe Shelley, 2021-05-04 A landmark event in literary scholarship the publication of the Johns Hopkins edition of The Complete Poetry of Percy Bysshe Shelley makes available for the first time critically edited clear texts of all poems and translations that Shelley published or circulated among friends as well as diplomatic texts of his significant incomplete poetic drafts and fragments Edited upon historical principles by Donald H Reiman and Neil Fraistat the multi volume edition will offer more poems and fragments than any previous collective edition arranged in the order of their first circulation These texts are followed by the most extensive collations hitherto available and detailed commentaries that describe their contextual origins and subsequent reception Rejected passages of released poems appear as supplements to those poems while other poetic drafts that Shelley rejected or left incomplete at his death will be grouped according to either their publication histories or the notebooks in which they survive Writing to his publisher in 1813 Shelley expressed the hope that two of his major works should form one volume nearly two centuries later the second volume of the Johns Hopkins edition of The Complete Poetry fulfills that wish for the first time This volume collects two important pieces Queen Mab and The Esdaile Notebook Privately issued in 1813 Queen Mab was perhaps Shelley s most

intellectually ambitious work articulating his views of science politics history religion society and individual human relations Subtitled A Philosophical Poem With Notes it became his most influential and pirated poem during much of the nineteenth century a favorite among reformers and radicals The Esdaile Notebook a cycle of fifty eight early poems exhibits an astonishing range of verse forms Unpublished until 1964 this sequence is vital in understanding how the poet mastered his craft As in the acclaimed first volume these works have been critically edited by Donald H Reiman and Neil Fraistat The poems are presented as Shelley intended with textual variants included in footnotes Following the poems are extensive discussions of the circumstances of their composition and the influences they reflect their publication or circulation by other means their reception at the time of publication and in the decades since their re publication both authorized and unauthorized and their place in Shelley s intellectual and aesthetic development **The Works of Sir William Jones** William Jr. Jones, William Jones, 2013-03-28 The complete thirteen volume works with memoir of the orientalist and poet Sir William Jones 1746 94 first published in 1807 **British Museum Catalogue of printed Books** ,1896 *Modernism and Exile* M. Spariosu, 2016-04-30 Studying exile and utopia as correlated cultural phenomena and offering a wealth of historical examples with emphasis on the modern period Spariosu argues that modernism itself can be seen as a product of an acute exilic consciousness that often seeks to generate utopian social schemes to compensate for its exacerbated sense of existential loss *Catalogue of the London Library, St. Jame's Square* London Library, 1920 **Catalogue of the London Library, St. James Square, London. Supplement** London Library, Sir Charles Theodore Hagberg Wright, Christopher James Purnell, 1920 [A Catalogue and Index of the Shelley Manuscripts in the Bodleian Library and a General Index to the Facsimile Edition of the Bodleian Shelley Manuscripts](#) Tatsuo Tokoo, B. C. Barker-Benfield, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company *Catalogue of the London Library, St. James's Square, London: 1928-1950* London Library, Charles Theodore Hagberg Wright, C. J. Purnell, 1920
