The Heart Of A Lion Nala Ariana Tina Smith, 2025-01-10 The Heart of a Lion is about helping you find your purpose and how you can live your best life by putting your faith trust and love in the Lord When facing your biggest fear God can always lead you the way to having a heart that is courageous as a lion No matter the lifestyle no matter the issues no matter the struggles and no matter the rebellion that all of us are living with God is bigger than we know If you choose to proclaim him every day you will begin to roar out your voice and listen to your calling from Him This means that the more you speak to Him in prayer the better you will see the possibilities of God on the other side Sometimes a lion can mean something with a source of guidance and bravery to you Some people think of a lion as the face of a beast but you should believe that there's more to a beast than just one thing in truth The key to keeping your faith strong is to think about what Jesus would want you to do righteously It can be tough to try at first but Jesus didn't say to give up on what is hard for Him because He knows that is not what His Father commands Him to do Jesus always chooses to lean on God through the power of faith in times of challenges and difficulties and He would suggest that you and your family follow the track He does As you go through the study manual you can answer the questions on a note to keep track of your lessons and experiences after finishing each chapter of the book The study manual will assist you in finding your passion and your inner roar from this book The Heart of a Lion 2
