Through the Flames Yakubu T. Jakada, 2024-01-19 The persecution of Christians is on the increase worldwide In Nigeria persecution has had an immense impact on the religious economic and social life of Nigerians especially in northern Nigeria Many Christians are concerned about how to properly respond to such oppression This book meticulously examines contemporary responses to persecution alongside biblical and historical experience using the theoretical framework of Fight Flight and Fortitude The writer is convinced that if Christians respond to persecution properly the gospel witness will be strengthened and bridges for peaceful interrelationship will be built in communities experiencing religious and cultural diversity

The Book of Job and the Mission of God Tim J. Davy, 2020-10-29 The book of Job is famous for its complex and compelling exploration of suffering and faith It is less well known for its contribution to a biblical understanding of God's mission and the church's role within it In this detailed study Tim J Davy provides the most in depth treatment yet of a missional reading of Job building on the great strides taken in recent years in the missional reading of Scripture A number of missiologically framed questions are examined including the function of the book's non Israelite theme the cultural encounter of Job with similar ancient Near Eastern literature and questions of justice and the treatment of the poor Ultimately Davy makes the bold claim that the book of Job lies not at the periphery but at the heart of our understanding of the mission of God

Majority World

Perspectives on Christian Mission Nico A. Botha, Eugene Baron, 2022-05-12 It affords us real pleasure to present this editorial on behalf of the Majority World Christian Leaders Conversation MWCLC The MWCLC started slowly but surely since 2016 following a groundbreaking conversation among eleven mission practitioners from the Majority World who met in the United Kingdom somewhere between London and Oxford At the meeting several themes emerged under the banner of missionary questions and impulses of the Majority World from the perspective of the reign of God These themes and more find reflection in the book However before proceeding to the content of the anthology a note on the concept Majority World seems necessary The time where terms like Third World gained strong currency is long since gone The term Majority World is a new kid on the block and requires some clarification The use of the term is a strategy of avoiding concepts like Developing or Third World or even Global South which are pejorative in a real sense To speak of the Majority World is geographically accurate in that Africa Asia and Latin America are included
