Die Abenteuer Tom Sawyers:

Die Abenteuer Tom Sawyers Mark Twain, 2019-04-19 Let me wonder where the villain is again Tom The old lady pushed down her glasses and looked over it then she pushed her onto her forehead and looked away Rarely or never did she look for such a little thing as a boy is through the glasses of those her state glasses which was the pride of her heart and more stylish than useful she would have seen as much through a few rings Restless she paused for a moment and said not exactly angry but always loud enough to be heard throughout the room I ll have to keep a stern judgment if I catch you I ll Here she broke off for by now she had bent down and poked the broom under the bed and then she had to catch her breath to express her anger She had found nothing but the cat Such a boy has not even occurred to me She went to the open door stopped and peered through the vines and the flowering weeds which together made up the garden No Tom So she raised her voice and shouted into all corners Tom Tom Behind her a faint noise was heard and she turned just in time to catch a small fellow and prevent them from escaping So are you there Of course I did not think of the pantry What did you do there again hey Nothing Nothing Look at your hands and your mouth What s this By God I do not know aunt But I know it s jam How many times have I told you if you went over the marmalade I would blush you Give me the stick *Die Abenteuer Tom Sawyers* Mark Twain, 2016-02-29
