Diamond Nine activities are a great way for children to learn about the importance this game of different activities, resources and more.

Children are given two different scenarios and asked to place them in order of importance. The most important goes in the top of the Diamond Nine Social Values and the least important goes in the bottom. The other values go in between the top and the bottom depending on the child's view of them.

Support the children that they haven't thought of enough values, writing them down. Encourage them to think carefully and try not to change their ideas.

Encourage the children to understand that there is no right or wrong answer and the purpose is to learn to be very efficient.
