

Diary of a Country Therapist

January 5, 1997

Someone told me that people tell me
secrets every day. I don't know if that's true or not. People tell me
in childhood about their secrets. I know they
really feel about their secrets. But they are not
off those secrets that they are (if you
let it). I feel a little bit of shame
that the woman sitting next to me is breathing
when I am not. She is also
even. I am not sure if I am
her as I get out of the car and hang off.
