Como Ser Un Lider Spanish:

Ser un líder Cassie Mayer, 2007 Describes various situations that demonstrate the quality of leadership *Community Service-Learning for Spanish Heritage Learners* Kelly Lowther Pereira, 2018-12-15 This book proposes community service learning as a critical pedagogy that connects learners and communities to address key challenges in heritage language education The book's purpose is two fold to fill a crucial gap in empirical research on community service learning in the heritage language context as well as to provide language educators and practitioners essential guidelines for designing community service learning courses with particular attention paid to the characteristics and needs of Spanish heritage language learners This book presents compelling evidence demonstrating the central role community service learning plays in developing heritage language learners identities connections to the heritage language community language attitudes and social cultural and sociolinguistic awareness Importantly this book also addresses the often overlooked perspectives of community partners and liaisons As the first original research monograph on community service learning for Spanish heritage language learners this pioneering book will undoubtedly aid students instructors and administrators across all levels of language education Spanish for the IB MYP 4 & 5 (Phases 3-5) J.
