Ousby, 1992 **S.T. Coleridge** Sunil Kumar Sarker, 2001 Coleridge Was One Of The Few Harbingers Of Romanticism In England And The Enunciator Of Psychological Criticism One Will Certainly Miss English Romanticism Of About 150 Years If He Does Not Interest Himself In Coleridge One Of The Most Loving And Suffering Souls Of English Literature Coleridge Was Not Only A Great Poet Of The Supernatural But Also A Great Critic And Prosodist In This Book The Objective Of The Author Has Been To Present Coleridge In His Essentials As The Content Of The Book May Show Against The Back Drop Of English Romanticism In Plain Terms And Without Any Presumptions Seventeen Select Poems Of The Poet Have Been Discussed To Some Extent Threadbare And The Texts Of Those Poems Have Been Given For Facility **Edgar Allan Poe's Contribution**

to American Gothic Marta Zapala-Kraj, 2015-01-28 Research Paper postgraduate from the year 2013 in the subject American Studies Literature grade 5 0 language English abstract If we were to ask ourselves who Edgar Allan Poe was what would we answer The first answer that would enter our mind would probably be that he was an author of the very first horror books It is also agreed that he was the father of the detective fiction novels The second answer would perhaps refer to his complicated bibliographical aspects where historians could only be supposing guessing and claiming Some people search for the truth of Poe s death There are various sources claiming that he died of extensive intoxication the others claim that he was sober and died due to some mysterious factors Edgar Allan Poe did nothing to sharpen the blurred vision of his life quite contrarily he repeated the fictional stories to name but one that he joined the Greek in their fight for liberty in 1828 Since no headstone was placed over Poe s grave when he was buried some have claimed it as to be right of his grandfather others to the left As for his burial both October 8 and 9 have been recorder in various places No thing can be stated with certainty Some mysteries connected with Edgar Allan Poe will probably remain unsolved It is evident that Poe had been influenced by the richness of Gothic literary legacy which was available to him When analyzing the subject of his writing form style and even occasional use of precise motifs as well as tone Poe proves that his predecessors have had a sound effect on him

However what is equally evident is that Poe created the Gothic fiction of his own style and trend and in fact the question which shall arise is in what ways Poe shaped the American Gothic as we perceive it nowadays *Milton* Sunil Kumar Sarker,1999 There Is No Poet In English Literature Like Milton So Firm In Religious Conviction So Fierce In Politics So High In Poetic Flight So Grand In Style So Great In Scholarship So Beautiful In Appearance So Overbearing In Attitude So Stoical In Sufferance And All These Are At The Same Time And All These Varied Facets Of Milton Have Various Coloured The English Literature Milton Is The Third Milestone In The History Of English Literature The First And The Second Being Chaucer And Shakespeare Respectively Therefore One S Study Of English Literature Will Certainly Remain Incomplete So Long As One Is Not Acquainted With Milton S Works The Present Book May Be Treated As An Introduction To Milton In It All The Three Phases Of Milton S Creative Life Have Been Highlighted The Phase Of Early Or Minor Poems The Phase Of Pamphleteering And The Phase Of The Epics And The Lone Drama Special Treatments Have Been Accorded To The Poet S Major Works Paradise Lost Paradise Regained And Samson Agonistes And Throughout The Book Critical And Appreciative Attitudes Are Pervading The Bibliographer and Reference List ,1888 **The Cambridge Companion to Wordsworth** Stephen Gill,2003-06-12 The Cambridge Companion to Wordsworth provides a wide ranging account of one of the most famous Romantic poets Specially commissioned essays cover all the important aspects of this multi faceted writer the volume examines his poetic achievement with a chapter on poetic craft while other chapters focus on the origin of his poetry and on the challenges it presented and continues to present Further contributions include discussions of The Prelude and The Recluse Wordsworth as philosophic poet his writing in relation to European Romanticism and Wordsworth as Nature poet The collection by an international team of established specialists concludes with a lucid account of the history of Wordsworth s texts and offers students invaluable reference material including a chronology and guides to further reading The volume aims to ensure that its readers will be grounded in the history of Wordsworth s career and his critical reception **The Importance of Reinventing Oscar** ,2021-11-01 The present collection of essays is the outcome of the Oscar Wilde conference held at the Technical University of Dresden 31 August 3 September 2000 The papers cover a wide range of historical and comparative aspects they look into the status of Wilde as poet dramatist essayist and intellectual during his own times as well as investigate the meaning of his work for subsequent writers and critics thus giving an outline of the Wildean history of literary reception intellectual discourse and media transformation Intellectually brilliant and challenging Oscar Wilde had been a favourite of the late Victorians performing the roles of the dandy and the poet of art for art s sake However due to his questioning of prevalent moral double standards and his insistence on the autonomy of art he was indicted for gross indecencies convicted and sent to prison Instead of being ostracised he became a source of inspiration for writers and artists on the British isles as well as on the European continent The papers in this volume explore such topics as Wilde s concepts of socialism and aestheticism his fashioning of the femme fatale and of the dandy his use of fashion and of

simulation his impact on modernism and postmodernism as well as on genres such as crime writing and fictional biography and the influence of Wilde on writers such as James Joyce W B Yeats Joe Orton Peter Ackroyd Tom Stoppard David Hare and Mark Ravenhill Other papers focus on the reception of Wilde in Russia former Yugoslavia Hungary and Germany as well as on cinematic and Internet representations of Wilde Critical and creative responses vary from the general to the specific from traditional assessments to analyses of the arts of camp parody and pastiche thus indicative of the sub cultural appropriation of Saint Oscar Terry Eagleton
