Companion To The Constitution Polity For The Local Church

Charles Yrigoyen Jr

Companion To The Constitution Polity For The Local Church:

Companion to the Constitution Frank A. Beattie, Presbyterian Church (U.S.A.), 1992 Companion to the Constitution Frank Augustin Beattie, 1995 **Protestant Church Polity in Changing Contexts I** Allan J. Janssen, Leo Koffeman, 2014 Church polity as a theological discipline has become increasingly aware of the challenge of contextuality due to tendencies like secularization in the global North and a renewed awareness of inherited cultural and religious traditions in the global South The ecumenical movement offers a particular framework for reflection on such developments Contexts I and Contexts II of Protestant Church Polity in Changing Contexts contain proceedings from an international conference held in Utrecht in November 2011 Contexts I ISBN 978 3 643 90310 5 includes essays in the fields of ecclesiology church history missiology inter cultural theology and practical theology The companion Contexts II ISBN 978 3 643 90311 2 presents a number of case studies Series Church Polity and Ecumenism Global Perspectives Vol 2 **Selected to Serve, Updated Second Edition** Earl S. Johnson, 2022-02-01 Updated 2022 Edition This useful guide for church leaders covers all aspects of officer training call duties ethics the Presbyterian Constitution and much more Congregations will find this resource indispensable for the recruitment and training of effective church leaders Earl S Johnson Jr has revised this best selling book to include the new standards from the new Form of Government in the Book of Order **Patterns of Polity** Edward Le Roy Jr. Long, Edward Leroy Long, 2001-06-30 An excellent primer on the spectrum of ways in which Christians organize their institutional life Long's study of polity that is methods of religious organization intends to enlighten the reader about the ways in which belief shapes personal and communal function Patterns of Polity is a comparative examination of church governance by bishops governance by elders and governance by congregations across contemporary branches of Christianity Patterns of Polity does not defend the validity of any particular polity but instead raises questions that are essential to all polities and to all communities How is power created and used In what ways are polities most likely to function well In what ways are polities susceptible to corruption and dysfunction How are conflicts adjudicated and finances handled **Don't Fire Your Church Members** Jonathan Leeman, 2016-01-15 The goal of this book is to present a fresh and innovative argument for congregationalism **John Witherspoon's American Revolution** Gideon Mailer, 2016-11-23 In 1768 John Witherspoon Presbyterian leader of the evangelical Popular party faction in the Scottish Kirk became the College of New Jersey's sixth president At Princeton he mentored constitutional architect James Madison as a New Jersey delegate to the Continental Congress he was the only clergyman to sign the Declaration of Independence Although Witherspoon is often thought to be the chief conduit of moral sense philosophy in America Mailer's comprehensive analysis of this founding father's writings demonstrates the resilience of his evangelical beliefs Witherspoon's Presbyterian evangelicalism competed with combined with and even superseded the civic influence of Scottish Enlightenment thought in the British Atlantic world John Witherspoon's American Revolution examines the connection between patriot discourse and long standing debates already

central to the 1707 Act of Union about the relationship among piety moral philosophy and political unionism In Witherspoon's mind Americans became different from other British subjects because more of them had been awakened to the sin they shared with all people Paradoxically acute consciousness of their moral depravity legitimized their move to independence by making it a concerted moral action urged by the Holy Spirit Mailer's exploration of Witherspoon's thought and influence suggests that for the founders in his circle civic virtue rested on personal religious awakening

Law and Religion Stephen M. Feldman, 2000-09 Few issues arouse as much passionate debate as the relationship between church and state Political parties and coalitions have long jockeyed for position in the battle to either keep the two separate or to unify them in one nation indivisible from God While the battle has been raging in the political arena figures from academia the media and myriad other vantage points have commented on the context and constitutionality of laws governing religious expression In *Law and Religion* Stephen M Feldman brings together the many perspectives that have shaped policy on this important national issue In giving voice to the political left and right as well as to cultural philosophical sociological and historical perspectives the book serves as an even handed treatment of an issue all too often clouded by biases Contributors ranging from Stanley Fish to Richard John Neuhaus explore issues extending from religious morality and religious freedom to fundamentalism the separation of church and state religion and public schooling and liberal political theory Comprehensive in scope *Law and Religion* will stand as an important reference for anyone seeking to further understand this complex and highly emotional topic

T&T Clark Companion to Methodism Charles Yrigoyen Jr, 2014-09-25 The first volume in the T T Clark Companions series this volume is a handbook on Methodism containing an introduction dictionary of key terms and concentrates on key themes methodology and research problems for those interested in studying the origins and development of the history and theology of world Methodism The literature describing the history and development of Methodism has been growing as scholars and general readers have become aware of its importance as a world church with approximately 40 million members in 300 Methodist denominations in 140 nations The tercentenary celebrations of the births of its founders John and Charles Wesley in 2003 and 2007 provided an additional focus on the evolution of the movement which became a church This book researches questions problems and resources for further study

Selected to Serve Earl S. Johnson, 2000-01-01 *Selected to Serve* is a user friendly basic text for Presbyterian officer training It covers a variety of topics such as the call to serve as an officer questions officers often ask various sections of the Presbyterian Book of Order ordination vows ethics of church officers and guidelines for growing a church
