Compassion A Reflection On The Christian Life:

Compassion Henri J. M. Nouwen, Donald P. McNeill, Douglas A. Morrison, 2006-01-17 In this provocative essay on that least understood virtue compassion the authors challenge themselves and us with these questions Where do we place compassion in our lives Is it enough to live a life in which we hurt one another as little as possible Is our guiding ideal a life of maximum pleasure and minimum pain Compassion answers no After years of study and discussion among themselves with other religious and with men and women at the very center of national politics the authors look at compassion with a vigorous new perspective They place compassion at the heart of a Christian life in a world governed far too long by principles of power and destructive control Compassion no longer merely an eraser of human mistakes is a force of prayer and action the expression of God's love for us and our love for God and one another Compassion is a book that says no to a compassion of guilt and failure and yes to a compassionate love that pervades our spirit and moves us to action Henri Nouwen Donald McNeill and Douglas Morrison have written a moving document on what it means to be a Christian in a difficult time

Compassion. A Reflection on the Christian Life, 1984 *Compassion* Henri J. M. Nouwen, Donald P. McNeill, Douglas A. Morrison, 1982 *The Demise of Compassion* Donald G Davis Sr, 2011-08 Over the years our nation's value system has been disrupted During the rise of our present generation and the birthing of a new generation our nation's caring and compassion appear to have diminished People are more concerned with their own self preservation and self worth Careers have become the focal point of men and women alike People have become self centered looking for the advancement of their cause and unfortunately it is at the expense of love and compassion Why is compassion in our society on the decline Dr Donald Davis seeks to find the causes of and solutions to this decline in his study *The Demise of Compassion A Casualty of a Changing Culture* In this study Dr Davis explores compassion versus culture the essence of compassion the challenges facing compassion and the path that is leading to compassion's demise the road to recovery By utilizing over thirty years of pastoral experience with the thoughts of the leading experts on compassion Dr Davis provides a tough but fair look at what is happening in our modern society Join Dr Davis as he analyzes the trends in compassion today and shares simple everyday ways that compassion can be restored in *The Demise of Compassion A Casualty of a Changing Culture* *Compassion - A Pastoral Paradigm for Integral Salvation and the Growth of the Church* Edwin Ikechukwu Ozioko, 2020-03-10 Compassion is the dynamic force of all pastoral engagement Without it Salvation is impossible With it the salvation of the human person both spiritually and materially is assured It is a deep natural philosophical theological and religious value The proper assimilation of this value with all its implications marks a turning point in one's life It opens up one not only to love and to be loved but also to see things not as they are but as they should be It marks one's entry into the crusade of the universal pastorhood a heart driven crusade that abhors all forms of exploitation and abuses A crusade of socio political wellbeing realized through politics of compassion **The Spiritual Legacy of Henri Nouwen** Deirdre LaNoue, 2000-10-01 In 1969 the year

following the death of Thomas Merton Henri Nouwen published his first book *Who reading Intimacy Essays in Pastoral Psychology* at the time could have guessed that its 37 year old Dutch priest author would become one of the most popular spiritual writers of the 20th century Unlike Merton whose strictly spiritual writings appealed almost exclusively to Roman Catholics Nouwen had an enormous following among Protestants as well as Catholics What was it about this man and his work that so resonated with the American psyche over the past thirty years In *The Spiritual Legacy of Henri Nouwen* Deidre LaNoue analyzes Nouwen s voluminous writings in the context of his life and times providing a key to his more than forty individual books as well as a cogent summary of his contribution to the spiritual lives of millions of people The book includes a complete bibliography of Nouwen s writings as well as a Scripture index of his books **God's Word, Your World!**
