Why the Dalai Lama is a Socialist

Terry Gibbs, 2017-03-15 To the surprise of many the Dalai Lama recently declared that I am a socialist While many Buddhists and socialists would be perplexed at the suggestion that their approaches to life share fundamental principles important figures in the Buddhist tradition are increasingly framing contemporary social and economic problems in distinctly socialist terms In this novel and provocative work Terry Gibbs argues that the shared values expressed in each tradition could provide signposts for creating a truly humane compassionate and free society Hopeful about our potential to create the good society through collective effort Why the Dalai Lama is a Socialist is grounded in the fundamental belief that everyday human activity makes a difference

What Am I Here For? (ePub) Martin C. Bala, 2024-03-19 We all go through life with similar struggles and desires but not everyone follows their childhood dreams not everyone is successful or at least feels that way There are also moments in your life when something unusual happens An accident a health problem or something bigger than your job your career In those moments life loses its meaning and you start to think Is what I am doing now all there is Is this what I dreamed of as a child What am I here for Similar questions have been on my mind for more than two decades of my life and I have found answers that I am willing to share with you in this book People who are truly successful do things differently than most and it is not too late for you to learn what they know Without finding your purpose true success can be very difficult to achieve It is never too late to change the way you think to act differently and to make a difference Everyone

Quiet Wisdom in Loud Times Kayta Curzie Gajdos,2014-04-20 In The Girl Who

Played with Fire the second story of the Larsson trilogy Lisbeth Salander the protagonist is shot by her father and buried by her half brother But at dawn her hand rises from the grave Stunning Here it is the rise of the wounded feminine despite patriarchy s destructive violence Quiet Wisdom in Loud Times considers her attempted murder by a brutal father and her resurrection despite it to be the resounding metaphor of our times we are in a global crisis of an old order of the patriarchy that wants to maintain the status quo of wealth and power Yet the feminine principle so wounded by the violence against it continues to rise up The wounded feminine principle refers to both women and men Women have come a long way since the 1960 s but that really isn t the whole story In fact the story is not even about women only It is about men also It is about something in fact beyond both men and women and that is the rise of the wounded feminine soul energy that needs to be part and parcel of all of us Why now We are at a very important time where there are huge psychic upheavals happening Right now life is still in patriarchal dominator mode But this is not about gender Women can be daughters of a rigid patriarchal structure as much as men can be its sons Likewise men as well as women can carry the collaborative partnership model that attends to the feminine relational aspects of life Quiet Wisdom in Loud Times explores the rise of the wounded feminine principle as well as its burials in relation to the environment money politics and the media with particular attention to the Larsson trilogy By addressing the rise of the wounded feminine Quiet Wisdom in Loud Times can help us face courageously the powers that be while not collapsing into the indifference and apathy that define letting the patriarchy continue its violent way This book elucidates how in relationship to one another and to the earth the wounded feminine shall rise
