COMPASSIONATE REASSIGNMENTS

What is a compassionate reassignment?

Soldiers stationed overseas or in a distant part of the continental United States may, in certain limited circumstances, be granted reassignment to a location closer to their family. Reassignment prior to scheduled permanent change of station (PCS) requires a showing of substantial family need. Need usually exists in the form of a family emergency or some other extraordinary situation which requires the Soldier's presence closer to home. The Soldier must provide documentation detailing the nature of the situation along with an explanation as to why the Soldier's presence is needed. With that documentation, the local military personnel office is the point-of-contact to apply for compassionate reassignment. Some requests may be approved by a commander having general court martial convening authority; others will be decided by Human Resources Command.

Emergencies arising during leave:

Personnel in a leave status may, in emergency situations only, apply directly to the closest Army installation for compassionate reassignment. In those situations, the Soldier can sign-in at that installation, and have his or her application for reassignment processed through that installation's military personnel office. Absent a truly extraordinary situation, Soldiers are expected to request compassionate reassignment through appropriate channels at their home station/installation.

What documentation is required?

The Soldier requesting reassignment must complete a DA Form 3739 containing the following information. AR 614-200 paragraphs 5-14 though 5-19 go into more detail:

1. Assignment/location requested;
2. Name, social security number, rank, enlisted commitment, MOS, and date of latest PCS;
3. Current military status, unit and telephone number of unit;
