the Musqueam xwm kw y m Squamish Skwxw 7mesh and Tsleil Waututh s li w ta nations But Bocce Ball Park is also a wonderful place in many ways with a startling plurality of users and sovereignties and all kinds of overlapping activities and all kinds of overlapping people co existing more or less peaceably It is a living exhibition of the possibilities of sharing land and perhaps offers some clues to a decolonial horizon The book is a collaborative exercise between one white family and some friends looking at the park from a variety of perspectives asking what we might say about this patch of grass and what kinds of occupation might this place imply
