Devotional Journal Living Stephen Kyeyune,2015-05-08 Each person is an enigma You're a puzzle not only to yourself but also to everyone else and the great mystery of our time is how we penetrate this puzzle We are social animals and unless we engage God we can never resolve and understand the truth that lies at the bottom of an enigma of interdependence relationship A legendary poet wrote People are fascinating They're so

unique and I think what's more fascinating is the reason behind the physical characteristic the enigma that's where the gold dust is. Life is never a mystery and a harmful enigma unless we try to interpret it from our human brand or perspective as though it had no underlying truth. The reality is that every person believes in something, be it true or false. Our beliefs modify our behavior. I have put together this journal for you with epic passion projecting the phenomenal person that God intended you to be. Wrong perception of life issues makes man a wrong person. It is my prayer that by reading this book you will be enlightened and inspired to solve the puzzle of life from the perspective of the Creator of life. Certainly the most important thing that God can give to us is the truth about life. God created us to live passionately but not passively. That is why he instructed us to love him with all our hearts and to love our neighbors as we love our selves. *Day-by-Day Devotions for Dads* by Jay Payleitner, 2020-05-05. Not Your Dad's Devotional. Save the sermons for Sunday and join bestselling author and proud papa Jay Payleitner on a quest to become a better dad one day and devotion at a time. This trip will not include guilt just a lot of good advice on how to teach, inspire and encourage your children from someone who's been there. Inside you'll learn who you can point your kids to when the GPS direction of their lives needs recalculating. What a firm handshake and a head nod can teach your children about respecting others. When to cash in your genius points and when to store them up for future use. Where men gather to worship God is where your son should be. Why simply being there is the best thing you can do for your children. How turning in your superhero cape and becoming vulnerable will benefit your kids as they become teenagers and so much more. Far from preachy, this devotional will make you think clearer, smile bigger and laugh harder about fatherhood than ever before. Better yet, it will draw you and your kids closer to God. **The KJV Daily Devotional** Compiled by Barbour Staff, 2018-05-01. Daily readings featuring scripture from the beloved King James Version.
