Criminalization, Representation, Regulation Deborah Brock, Amanda Glasbeek, Carmela Murdocca, 2014-01-01 This book draws on Foucault s concept of governmentality as a lens to analyze and critique how crime is understood reproduced and challenged *Canadian Society in Historical Perspective* Samuel Delbert Clark, 1976 [The Vigilant Eye](#) Greg Marquis, 2017-01-19T00:00:00Z In *The Vigilant Eye* Greg Marquis combines the narrative and chronological approach of traditional institutional history with the critical approaches of social history legal history and criminology The book begins with the English and Irish roots of nineteenth century British North American policing and traces the development of the three models of law enforcement that would shape the future the local rural constable the municipal police department and the paramilitary territorial constabulary Marquis examines the development of provincial police services whose expansion coincided with the rise of mass automobile ownership and controversies over alcohol prohibition and control and their eventual absorption into the RCMP In terms of political policing the vigilant eye has monitored harassed and disrupted various social and political movements ranging from Fenians to communists to Quebec separatists and environmentalists Marquis argues that the style of community policing in vogue during the 1970s and 1980s lacked confidence and had a limited impact Canada s simplistic crime fighting model undermines genuine reform including curbs on the use of deadly force on citizens and justifies the increased militarization of policing Marquis argues that it is time for citizens to turn their vigilant eye towards police and policing in their own communities *Canada before Confederation: Maps at the Exhibition* Chet Van Duzer, Lauren Beck, 2017-08-31 Each of the maps featured in this book was showcased in the exhibition *Canada before Confederation Early Exploration and Mapping* which took place in several locations both in Canada and abroad in Fall of 2017 The authors provide a scholarly study highlighting the importance and unique features of each of these jewels of

cartographic history with particular attention paid to how they demonstrate the development of Canadian identity at the same time that they reveal Indigenous knowledge of the lands now known as Canada

Feminized Justice Amanda Glasbeek, 2010-07-01 In 1913 Toronto launched an experiment in feminist ideals a woman's police court The court offered a separate venue to hear cases that involved women and became a forum where criminalized women prostitutes vagrants alcoholics and thieves met and struggled with the meaning of justice This multifaceted portrait of the court's business and its people from its inception by middle class maternal feminists to its demise in 1934 from the repeat offender to its controversial magistrate Margaret Patterson reveals the experiment's fundamental contradiction The court was both a site for feminist adaptations of justice and a court empowered to punish the women who appeared on its docket *Feminized Justice* sheds new light on maternal feminist politics women and crime and the role of resistance agency and experience in the justice system

Pfeifer, 2017-09-22 In this second volume of the groundbreaking survey Michael J Pfeifer edits a collection of essays that illuminates lynching and other extrajudicial rough justice as a transnational phenomenon responding to cultural and legal issues The volume's European themed topics explore why three communities of medieval people turned to mob violence and the ways exclusion from formal institutions fueled peasant rough justice in Russia Essays on Latin America examine how lynching in the United States influenced Brazilian debates on race and informal justice and how shifts in religious and political power drove lynching in twentieth century Mexico Finally scholars delve into English Canadians use of racist and mob violence to craft identity the Communist Party's Depression era campaign against lynching in the United States and the transnational links that helped form and later emanated from Wisconsin's notoriously violent skinhead movement in the late twentieth century Contributors Brent M S Campney Amy Chazkel Stephen P Frank Dean J Kotlowski Michael J Pfeifer Gema Santamar a Ryan Shaffer and Hannah Skoda
