Community Development Mental Health Support:

Community development and civil society Henderson, Paul, Vercseg, Ilona, 2010-06-30 To what extent are the ideas and practice of community development across Europe similar Community Development and Civil Society explores this question with special reference to the UK and Hungary and shows how community development connects powerfully with civil society a concept that today has global significance Paul Henderson and Ilona Vercseg argue that community development is both a profession and a social movement and is relevant to a wide range of issues They interweave case studies with discussion of principles and theory The book's critical and accessible approach will appeal especially to students and practitioners

Community Development and Schools Mildred E. Warner, Jason Reece, Xue Zhang, 2024-07-29 This book lays out the promise and potential of schools as community building institutions It explores the challenges faced in incorporating schools into broader community development policy and also recognizes the changing demographics of schools and their need to integrate with economic development policy in order to promote broader community development The book includes chapters on tax abatements and economic development policy impacts on schools new approaches to school building renovation the potential and reach of shared services between communities and schools and the impact of school based health centers It also offers a theory to integrate schools into community development Key elements include shared power between communities and schools greater transparency in economic development policy collaboration across the broad range of community actors and engagement of diverse voices These elements build a greater sense of belonging across generations and class and racial divides Creative democracy can broaden both school and community development agendas and build a culture of health This book will help community development and school leaders recognize and pursue the promise of schools as critical community development actors The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial CC BY NC 4.0 license
