Community Policing And Peacekeeping Community Policing And Peacekeeping:

Community Policing and Peacekeeping Peter Grabosky, 2009-06-25 In modern industrial societies the demand for policing services frequently exceeds the current and foreseeable availability of public policing resources Conversely developing nations often suffer from an inability to provide a basic level of security for their citizens Community Policing and Peacekeeping offers a fresh overview of the challenge

Police and International Peacekeeping Missions Garth den Heyer, James F. Albrecht, 2021-10-01 This edited volume examines the experiences and the roles of the police deployed on peacekeeping and intervention missions in Afghanistan Bougainville Cyprus Haiti Kosovo Namibia Solomon Islands Timor Leste and Ukraine Despite the extensive literature that has examined the role of the military in peacekeeping and intervention operations little literature or information that investigates the role and the work of the police or the methods that they use to assist in the reformation of local police is available This book provides an overview of the history and role of the police in peacekeeping missions and discusses the principle factors of police reform and development in post conflict nations It includes case studies assessing the background of the conflict and the police deployments as well as their role contributions and achievements Including two in depth surveys of police officer experiences on peacekeeping missions this volume will be of great value to policing researchers and law enforcement leadership police historians and students and researchers of post conflict development

UN Peace Operations and International Policing Charles T. Hunt, 2014-09-15 This book addresses the important question of how the United Nations UN should monitor and evaluate the impact of police in its peace operations UN peace operations are a vital component of international conflict management Since the end of the Cold War one of the foremost developments has been the rise of UN policing UNPOL Instances of UNPOL action have increased dramatically in number and have evolved from passive observation to participation in frontline law enforcement activities Attempts to ascertain the impact of UNPOL activities have proven inadequate This book seeks to redress this lacuna by investigating the ways in which the effects of peace operations and UNPOL in particular are monitored and evaluated Furthermore it aims to develop a framework tested through field research in Liberia for Monitoring and Evaluation M E that enables more effective impact assessment By enhancing the relationship between field level M E and organisational learning this research aims to make an important contribution to the pursuit of more professional and effective UN peace operations This book will be of much interest to students of peace operations conflict management policing security studies and IR in general

Exploring Peace Formation Kwesi Aning, M Anne Brown, Volker Boege, Charles T Hunt, 2018-04-17 This volume examines the dynamics of socio political order in post colonial states across the Pacific Islands region and West Africa in order to elaborate on the processes and practices of peace formation Drawing on field research and engaging with post liberal conceptualisations of peacebuilding this book investigates the interaction of a variety of actors and institutions

involved in the provision of peace security and justice in post colonial states The chapters analyse how different types of actors and institutions involved in peace formation engage in and are interpenetrated by a host of relations in the local arena making the local contested ground on which different discourses and praxes of peace security and justice coexist and overlap In the course of interactions new and different forms of socio political order emerge which are far from being captured through the familiar notions of a liberal peace and a Weberian ideal type state Rather this volume investigates how dis order emerges as a result of interdependence among agents thus laying open the fundamentally relational character of peace formation This innovative relational liminal and integrative understanding of peace formation has far reaching consequences for internationally supported peacebuilding This book will be of much interest to students of statebuilding peace studies security studies governance development and IR Police Peacekeeping Lou Pingeot,2023 This book questions the optimistic reading of police peacekeeping often found in both academic and policy circles Lou Pingeot provides an in depth study of UN intervention in Haiti to show how a single site can help to shed light on how policing functions globally

State-building in Kosovo. A plural policing perspective Jelle Janssens,2015-02-05 This book challenges the conventional wisdom of international policing in transitional societies which seeks to strengthen the state police It builds on a growing body of literature on the pluralization of policing in Western democracies and transitional states which contends that the state police is merely one security provider in a complex policing landscape Through a case study of Kosovo this book proposes possible forms of plural policing and the relationship between state builders and non state policing agents such as private security companies gangs and Kanun based policing systems The book provides insights in the field of plural policing in transitional societies and overall policing strategies used by the international community in Kosovo Handbook of Peace, Prosperity, and Democracy Stuart S. Nagel,2002 Selection of essays studying the impact of policy on peace prosperity and democracy *Encyclopedia of Violence, Peace, and Conflict* ,2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the

lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world

Peace Studies for Sustainable Development in Africa Egon Spiegel, George Mutalemwa, Cheng Liu, Lester R. Kurtz, 2022-10-26 This book presents a snapshot of a major challenge and shares subjective views on various areas of conflict in Africa and the diverse theoretical and practical efforts to achieve peace Following an essential review of several real world conflict contexts on the African continent and attempts to come to terms with them critically as a first step the book explores the lessons learned to date with regard to peace studies in Africa
