Compassionate Community Work An Introductory Course For Christians:

Compassionate Community Work Dave Andrews, 2006 This practical training course for self study or group work is drawn from a Christian perspective and covers in session by session layout the principles of compassionate community work followed by the range of skills needed to engage in this activity *Compassionate Community Work* Dave Andrews, 2025-04-28 In this easy to use introductory textbook Dave Andrews combines the fruit of his practical experience over many years as a community worker with the best practice currently being taught at college level It can be used for self study as a resource for church based mission training for study at seminary or by extension and it complements existing courses that do not consider the implications of a Christian world view *Seeking Justice* Keith Hebden, 2013-01-25 Experiments in Jesus oriented principles and practices of reimagining and building a new world in the shell of the old **An Adventure in Service-Learning** Anto T. Kerins, 2016-04-08 An Adventure in Service Learning argues that education can provide not just knowledge and skills but it can also encourage the development of values and responsibility Service Learning is a teaching method unlike any other It allows students to use their classroom theory to help others through relevant service or volunteering activity In so doing it gives students the opportunity to use the experiences of helping others to strengthen their understanding of subject material Service learning is like a bridge that connects education with the outside world It breathes life and clarity into any subject and better prepares students for life after college An Adventure in Service Learning is a well written and easy to read book It introduces the newcomer to service learning and provides the seasoned practitioner with an important analysis of this most interesting of teaching methods Its discussion of learning and the role of higher education will interest educationalists and its consideration of service will be important to those who are concerned about community A passionate belief in education and its possibilities permeates An Adventure in Service Learning The book examines service learning in project management leadership and management consultancy and provides readers with an understanding of how the method can work in any subject or discipline It clarifies the need for community and discusses the nature and possibilities of what it means to be human The book will help to renew and reinvigorate practitioners policy makers and the education system as a whole **Youthwork After Christendom** Jo Pimlott, Nigel Pimlott, 2013-08-01 Young people have been leaving the church for several decades and are largely absent from many of our congregations Most young people have no desire to embrace a church perceived as old fashioned but remain interested in spirituality How can young people be empowered to follow Jesus in a relevant and new way that is responsive to the challenges of the current context How can real hope and opportunity be realised so that the next generation will approach faith without a Christendom mindset By examining the influences of the past exploring the stories of those young people who have been partaking in church and by considering the views of those not connected to Church this book offers insights theology practical application and some hope for the future Those charged with responsibility are encouraged to seriously consider passing on the baton to

young people now for the sake of the future Like it or not the destiny of the church is in their hands **River of God** Douglas D. Priest, Stephen E. Burris, 2012-04-19 River of God is an introduction to world missions aimed at undergraduate students However the readers will soon discover that the book is rich in its content far beyond the editors original plan It serves as a reader for people with various levels of missiological interest and competence and deals with cutting edge issues in missions This book introduces a new paradigm Kingdom Missiology which builds on shalom in the Old Testament and as Jesus applied to the Kingdom of God in the New Testament The first half of the book looks at Kingdom Missiology from the biblical historical and cultural dimensions The second half of the book describes helpful strategies in the implementation of this paradigm The importance of urban ministry is woven throughout the book Contributors Ashley Barker Gina Bellofatto Kendi Howells Douglas Robert Douglas Todd Johnson Robert Kurka Janice Lemke Paul McAlister Mark Moore Doug Priest Greg Pruett Mike Sweeney Bill Weber Donovan Weber Linda Whitmer and Tetsunao Yamamori *Not Religion but Love* Dave Andrews, 2012-02-01 In his acclaimed book Christi Anarchy Dave Andrews explored the ugly ruins of Christian history and outlined the radical vision of Jesus for personal and community renewal In Not Religion but Love he shows how that vision can become a reality With poignant real life stories drawn from his Brisbane backyard Dave Andrews gives us a practical guide to working out Jesus agenda for love and justice in our own lives and neighborhoods Complete with group exercises and an ample collection of extra resources for study Not Religion but Love is a book to read at your own risk it might change your life In the Midst of Much-Doing Charles R. Ringma, 2023-05-31 How are we to sustain activism and compassion amidst the never ending crises of the twenty first century While the concern for social justice is deeply biblical cynicism burnout and despair are all too common side effects when action is divorced from contemplation To effectively serve as the hands and feet of Jesus the church must attend to the revitalization of its inner life through the spiritual practices which feed support and sustain the work of the kingdom Rather than the fragmentation and dualism that have led denominations to choose between prayer and service evangelization and justice the church must integrate heart mind and body in order to fulfil its calling to transform the world from within Drawing from Scripture and a wide range of Christian traditions from the monastic to the evangelical this book inspires its readers to integrate spiritual renewal and prophetic witness for the glory of God and the good of his creation **To Right Every Wrong** Dave Andrews, 2021-01-21 Dave Andrews s latest book To Right Every Wrong is the last in the Dave Andrews Legacy Series It is a funny sad brutally honest retrospective reflecting on what it has meant for him and his family to seek to live a lifetime dedicated to love and justice The reflections in this book subtitled The Making and Unmaking of One Improbable Minor Prophet come in three parts the personal the prophetic and the paradoxical The personal part explores Andrews s experience of the radical compassionate spirituality that he shares with wife Angie and which has shaped their way of life as a family in community with marginalized and disadvantaged groups of people The prophetic part explores Andrews s embrace of the strange crazy improbable call

he felt to be a prophet which he has sought to flesh out in classic prophetic roles as an interrogator a protester a practitioner and an inspirator in contemporary prophetic contexts characterized by poverty and violence The paradoxical part explores Andrews s making and unmaking as a minor prophet critically constructing and deconstructing the more confrontational aspects of the prophetic roles he has played in order to be able to practice more sensitive pastoral care *Compassion and Community* Barrie Thomas,2005
