Compendium Voor De Geschiedenis Van De Pharmacie Van Nederland

Mike Dash

Compendium Voor De Geschiedenis Van De Pharmacie Van Nederland:

Compendium voor de geschiedenis van de pharmacie van Nederland Dirk Arnold Wittop Koning, 1986 Batavia's Graveyard Mike Dash, 2003-05-27 In 1628 the Dutch East India Company loaded the Batavia the flagship of its fleet with a king's ransom in gold silver and gems for her maiden voyage to Java the ship itself was a tangible symbol of the world's richest and most powerful monopoly The company also sent along a new employee to guard its treasure He was Jeronimus Corneliszoon a disgraced and bankrupt man with great charisma and dangerously heretical ideas With the help of a few disgruntled sailors he hatched a plot to seize the ship and her riches The mutiny might have succeeded but in the dark morning hours of June 3 1629 the Batavia smashed through a coral reef and ran aground on a small chain of islands near Australia The captain and skipper escaped the wreck and in a tiny lifeboat they set sail for Java some 1 500 miles north to summon help More than 250 frightened survivors waded ashore thankful to be alive Unfortunately Jeronimus and the mutineers had survived too and the nightmare was only beginning **Geschiedenis der pharmacie in Nederland** Willem Stoeder, 1891 **Bibliography of the History of Medicine**, 1993 **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), 1990 **Dangerous Drugs** Ronny Spaans, 2025-10-01 In the 17th century the Dutch Republic was the centre of the world trade in exotic drugs and spices They were sought after both as medicines and as luxury objects for the bourgeois class giving rise to a medical and moral anxiety in the Republic This ambivalent view on exotic drugs is the theme of the poetry of Joannes Six van Chandelier 1620-1695 Six who himself ran the drug shop The Gilded Unicorn in Amsterdam addresses a number of exotic medicines in his poems such as musk incense the miracle drug theriac Egyptian mumia and even the blood of Charles I of England In *Dangerous Drugs* these texts are studied for the first time The study shows how Six through a process of self presentation as a sober and restrained merchant but also as a penitent sinner thirsting for God's grace links early modern drug abuse to different desires such as lust avarice pride and curiosity The book shows also how an early modern debate on exotic drugs contributed to an important shift in early modern natural science from a drug lore based on mythical and fabulous concepts to a botany based on observation and systematic examination

The Control of Fuddle and Flash J. W. Gerritsen, 2000 A historical and comparative overview describing the regulations of the use of alcohol and drugs opiates in the USA the UK and the Netherlands It explains the conditions causes and consequences of the various regulatory regimes and provides insights into their political economy **De chemist** Henk Vermande, 2022-03-22 Chemist is een verouderd Nederlands woord voor chemicus of scheikundige iemand die verstand heeft van de scheikunde of de scheikunde beoefent Tot in de 19e eeuw was het ook de naam van een beroep het was iemand die chemicaliën met name chemische geneesmiddelen produceerde en verkocht De chemist positioneerde zich zeker anderhalve eeuw 1670-1820 op de farmaceutische markt als zelfstandige leverancier van chemicalia en medicijnen naast de apotheker en

de drogist Dit boek beschrijft de fascinerende geschiedenis van de opkomst bloei en neergang van de beroepsgroep van de chemisten in Nederland en de eeuwenlange strijd tussen apothekers en chemisten over de chemische geneesmiddelenbereiding Tot enige vorm van institutionalisering van het chemistenberoep in de vorm van gereguleerde opleidingen een corporatieve organisatievorm en een diplomastructuur is het in Nederland nooit gekomen Dit zal een van de redenen zijn dat er over de chemisten heel weinig bekend is en het beroep van de chemist in de geschiedschrijving van zowel de farmacie de chemie als de geneeskunde tussen wal en schip is gevallen In deze studie vult Henk Vermande dit hiaat De chemisten hadden een gemeenschappelijk uithangteken de salamander in het vuur embleem van de chemische bereiding van geneesmiddelen Met dit uithangteken konden de chemisten zich onderscheiden van de apothekers met hun vijzel de drogisten met hun gaper en de distillateurs brandewijnbranders met hun distilleerketel Pharmacy in History ,1991
