## **Competition Law In The Slovak Republic:**

*Competition Law in the Slovak Republic* Andrea Oršulová, David Raus, 2017-08-21 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of competition law and its interpretation in the Slovak Republic covers every aspect of the subject the various forms of restrictive agreements and abuse of dominance prohibited by law and the rules on merger control tests of illegality filing obligations administrative investigation and enforcement procedures civil remedies and criminal penalties and raising challenges to administrative decisions Lawyers who handle transnational commercial transactions will appreciate the explanation of fundamental differences in procedure from one legal system to another as well as the international aspects of competition law Throughout the book the treatment emphasizes enforcement with relevant cases analysed where appropriate An informative introductory chapter provides detailed information on the economic legal and historical background including national and international sources scope of application an overview of substantive provisions and main notions and a comprehensive description of the enforcement system including private enforcement The book proceeds to a detailed analysis of substantive prohibitions including cartels and other horizontal agreements vertical restraints the various types of abusive conduct by the dominant firms and the appraisal of concentrations and then goes on to the administrative enforcement of competition law with a focus on the antitrust authorities powers of investigation and the right of defence of suspected companies This part also covers voluntary merger notifications and clearance decisions as well as a description of the judicial review of administrative decisions Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for business and legal professionals alike Lawyers representing parties with interests in the Slovak Republic will welcome this very useful guide and academics and researchers will appreciate its value in the study of international and comparative competition law

**Competition Law in Central and Eastern Europe** Russell Pittman, 1997 **Law Against Unfair Competition** Reto Hilty, Frauke Henning-Bodewig, 2007-07-28 Unfair competition law is concerned with fair play in commerce It is generally regarded as necessary together with antitrust law in order to steer competition along an orderly course and thereby to contribute to promoting an efficient market system that serves the interests of all participants Nevertheless the significance of unfair competition law varies from one country to another Whereas in some countries such as Germany it is seen as one of the most effective commercial laws in other countries such as the United Kingdom it leads rather a shadowy existence From the outset this discrepancy laid in the differences in national legal systems Whilst those continental European countries that possessed a written civil law when instances of unfair competition emerged more or less successfully attempted to incorporate them in the existing tort law system protection in the common law countries was restricted to some narrowly defined torts in particular passing off At this stage one of the few shared convictions was that the protection of honest entrepreneurs was at issue on this basis in 1900 the only regulation at the international level until now

was enacted Art 10 of the Paris Convention      **Competition Laws Outside the United States** H. Stephen Harris, 2001

*Competition Laws Outside the United States, First Supplement* American Bar Association, 2005      European Competition Law Weijer VerLoren van Themaat, Berend Reude, 2018-01-26 This updated second edition explains EU competition law by presenting the relevant legal provisions together with carefully selected case extracts pertaining to those provisions The book's unique structure enables users to quickly locate information on procedural and substantive aspects of competition law Containing an article by article overview of EU competition law jurisprudence and concise selected extracts from judgments in key cases this book serves as an easy to navigate resource for practitioners academics and competition authorities themselves      Recent Developments in Slovak Competition Law - Legislation and Case Law Review Katarina Fodorova, 2016 Slovak competition law is set by the Act No 136 2001 Coll on the Protection of Competition as amended hereafter Competition Act Covered therein is the prohibition of competition restricting agreements and the prohibition of the abuse of dominance as well as concentration control The wording of the prohibitions is identical to Articles 101 and 102 TFEU Control of concentrations is largely modelled after the EU system also including the substantive test Significant Impediment of Effective Competition which is used in Slovakia since 2012 with some procedural divergences Enforcement is administrative in nature and only undertakings are subject to investigations and fines The relevant enforcement body is the Antimonopoly Office of the Slovak Republic      **The Interaction Between Competition Law and Corporate Governance** Florence Thépot, 2019-02-14 This book explores the interaction between competition law and corporate governance It will appeal to an audience of lawyers and non lawyer competition professionals in the US UK and EU as well as other jurisdictions with competition law regimes      **Harmonisation of EU Competition Law Enforcement** Jurgita Malinauskaite, 2019-11-15 This book explores how the EU's enforcement of competition law has moved from centralisation to decentralisation over the years with the National Competition Authorities embracing more enforcement powers At the same time harmonisation has been employed as a solution to ensure that the enforcement of EU competition rules is not weakened and the internal market remains a level playing field While employing a comparative law argument the book accordingly analyses the need for harmonisation throughout the different stages of development of the EU's competition law enforcement save Merger control and State Aid the underlying rationale and the extent to which comparative studies have been undertaken to facilitate the harmonisation process from an historical perspective It also covers the Directives such as the Antitrust Damages Directive and the ECN Directive Investigating both public and private enforcement it also examines the travaux préparatoires for the enforcement legislation in order to discover the drafters intent The book addresses the European and the Member States perspectives namely the Central and Eastern European CEE countries as harmonisation proceeds through dialogue and cooperation between the two levels Lastly it explores the extent to which harmonisation of the competition law enforcement framework has been accepted and implemented in the Member States legal systems or has led to the fragmentation of the

national systems of the CEE countries

### **Competition Law In The Slovak Republic Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Competition Law In The Slovak Republic has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Competition Law In The Slovak Republic has opened up a world of possibilities. Downloading Competition Law In The Slovak Republic provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Competition Law In The Slovak Republic has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Competition Law In The Slovak Republic. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Competition Law In The Slovak Republic. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Competition Law In The Slovak

Republic, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Competition Law In The Slovak Republic has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
