How Far is America from Here? International American Studies Association. World Congress, 2005 Main headings American studies from an international American studies perspective International transnational hemispheric America American social ethical and religious mentalities Comparative perspectives literary counterpoints American identities Space and place in American studies *The A to Z of Ethics* Harry J. Gensler, Earl Spurgin, 2010-02-12 The A to Z of Ethics covers a very broad range of ethical topics including ethical theories historical periods historical figures applied ethics ethical issues ethical concepts non Western approaches and related disciplines Harry J Gensler and Earl W Spurgin tackle such issues as abortion capital punishment stem cell research and terrorism while also explaining key theories like utilitarianism natural law social contract and virtue ethics This reference provides a complete overview of ethics through a detailed chronology an introductory essay a bibliography and over 200 cross referenced dictionary entries including bioethics business ethics Aristotle Hobbes autonomy confidentiality Confucius and psychology *Feminism and Hospitality* Maurice Hamington, 2010-08-14 Hospitality is something of a modern paradox On the one hand hospitality connotes a nicety or pleasantry easily undervalued as a ritual or formality devoid of epistemological or ethical content On the other hand the rise in international conflict and violence the decline of civil speech and the increased hostility toward immigrants points to the dire need for hospitable responses to mitigate tensions Hospitality represents a further paradox for feminism Historically women have been saddled with disproportionate responsibility for hospitality and have also been treated as unwelcome guests in so many arenas For these reasons feminists have good reason to be wary of addressing hospitality Yet feminist theory has taken the lead on developing ontological epistemological and ethical approaches to connectedness and relationality such that addressing hospitality appears to be an appropriate extrapolation *Feminism and Hospitality* is a collection that negotiates amidst these intriguing paradoxes *Feminism and Hospitality Gender in the Host Guest Relationship* is the first collection of original works to bring a feminist analysis to issues and theories of personal political economic and artistic hospitality Furthermore because feminist theorists have brought so much attention to the nature of human relationships this volume employs a fresh analysis beyond the tradition in political theory **Historical Dictionary of Ethics** Harry J. Gensler, Earl W. Spurgin, 2008 Historical Dictionary of Ethics covers a broad range of topics including theories issues and concepts historical periods and historical figures applied ethics non Western approaches and related disciplines Harry J Gensler and Earl W Spurgin tackle such issues as abortion capital punishment stem cell research and terrorism and explain such key theories as utilitarianism natural law social contract and virtue ethics This reference provides a complete overview of ethics through a detailed chronology an introductory essay a bibliography and more than 200 cross referenced dictionary entries including bioethics business ethics Aristotle Hobbes autonomy confidentiality Confucius and psychology **BOOK JACKET** **Digital Media Ethics** Charles Ess, 2013-04-23 This is the first textbook on the central ethical

issues of digital media ranging from computers and the Internet to mobile phones It is also the first book of its kind to consider these issues from a global perspective introducing ethical theories from multiple cultures It further utilizes examples from around the world such as the publication of the Mohammed Cartoons diverse understandings of what privacy means in Facebook or MySpace why pirating CDs and DVDs may be justified in developing countries and culturally variable perspectives on sexuality and what counts as pornography Readers and students thus acquire a global perspective on the central ethical issues of digital media including privacy copyright pornography and violence and the ethics of cross cultural communication online The book is designed for use across disciplines media and communication studies computer science and informatics as well as philosophy It is up to date accessible and student and classroom friendly each topic and theory is interwoven throughout the volume with detailed sets of questions that foster careful reflection writing and discussion into these issues and their possible resolutions Each chapter further includes additional resources and suggestions for further research and writing
