Perspectives on Family Ministry Timothy Paul Jones, 2009-10-01 In *Perspectives on Family Ministry* Timothy Paul Jones makes the case that every church is called to some form of family ministry but what he means by family ministry isn't simply one more program to add to an already packed schedule. According to Jones, the most effective family ministries involve refocusing every church process to engage parents in the process of discipling their children and to draw family members together instead of pulling them apart. Jones sets the stage with introductory chapters on the historical contexts and foundations of family ministry. Then three effective practitioners show clearly how your church can make the transition to family ministry. Paul Renfro, pastor of discipleship at Grace Family Baptist Church in Spring, Texas, writes in favor of Family Integrated Ministry where the emphasis is on intergenerational discipleship. Brandon Shields, minister to high school students at Highview Baptist Church, a multi-site megachurch in Kentucky and Indiana, supports Family Based Ministry, a ministry that organizes programs according to ages and interests but also develops intentional activities and training events to bring families together. Jay Strother, minister to emerging generations at Brentwood Baptist Church in Tennessee, prefers Family Equipping Ministry, maintaining age-organized ministry while reorganizing the congregation to call parents to become active partners in the discipleship of their children.

Trained in the Fear of God Randy Stinson, Timothy Paul Jones, Dr. Randy Stinson and Dr. Timothy Paul Jones have been the primary architects of the theological foundations for what has become known as family equipping ministry, a recognition that the generations need one another and that parents have an inherent responsibility for the discipleship of their children.

A Theology for Family Ministries Michael J. Anthony, Michelle D. Anthony, 2011 Experts develop a biblical theology for family ministry to help churches reach all types of families today, from traditional nuclear homes to single parent blended and gay partner families and beyond.

Recalibrate Ron Hunter Jr., Tammy G. Daughtry, Brian Haynes, Timothy Paul Jones, Scott Kedersha, Joanne Miller, Jimmy Myers, Philip Nation, Jim Putman, Lydia Randall, Richard Ross, Jay Strother, Turansky, Jim Wideman, Christopher Yuan, 2019-10-29 Are you seeking clarity in your vision for family ministry? Imagine bringing together fifteen ministry experts who have accumulated a wealth of experience and wisdom on that very topic. This book is the message from those experts, revealing a clearer vision for the future of any ministry. Each chapter addresses a distinct area of church ministry, reveals current unhealthy norms, offers new norms, and most importantly, provides ways to measure each area. It is vital to the future of your ministry to recalibrate to a healthy norm. This work will help ministry leaders reach that goal. All the royalties from the sale of this work go to support D6 International.

Family Ministry Field Guide Timothy Paul Jones, 2011 Scripture calls parents to train their children in the faith and to nurture their children's souls. Yet few parents actively engage in their children's spiritual development. How can churches best equip families to engage in their divine calling to disciple their children? Family ministry expert Dr. Timothy Paul Jones guides church leaders to develop a ministry system that equips parents to be the primary faith trainers in their

children's lives moving beyond mere programming into a deeper spiritual life at home within the church and beyond This resource is for leaders in the trenches those who see parents disengaging from their children's spiritual development see too many students leave for college and drop out of church have heard of family ministry and just want to know more or are frustrated with programmed ministries that fail to produce results Based on solid research this field guide unpacks how real life churches can narrow the gap between present reality and the biblical ideal of faith nurturing families Publisher description
