The Case With Nine Solutions J. J. Connington, 2012-11-30 Mr J J Connington is a name revered by all specialists on detective fiction Spectator When a locum doctor is called out one foggy night to a case of scarlet fever he mistakes one house for another and discovers a young man lying in a pool of blood who manages to choke out a dying message This intriguing clue laden third case for Sir Clinton Driffield has its origin in a dark scheme that reveals as much about the means for murder as its motivation *The Witch-Cult in Western Europe, A Study in Anthropology* Margaret Alice Murray, 2024-10-29 In *The Witch Cult in Western Europe* Margaret Alice Murray embarks on a riveting exploration of the ancient and enigmatic practices of witchcraft weaving a compelling narrative that challenges conventional historical perspectives and invites readers to question the very fabric of societal norms Through meticulous research and anthropological insight Murray paints a vivid tapestry of rituals and beliefs that once thrived in the shadows of European history suggesting the existence of a structured clandestine religion that defied the dominant religious paradigms of its time Her work not only uncovers the intricate connections between folklore and reality but also raises profound questions about the nature of belief power and persecution As Murray guides us through a world where the mystical and the mundane intertwine she offers a lens through which to view contemporary society's own struggles with conformity and dissent This groundbreaking study resonates today urging us to reflect on the enduring human fascination with the unknown and the societal forces that shape our understanding of truth With each page Murray's narrative beckons the curious and the skeptical alike to embark on a journey through the shadows of history where the echoes of ancient chants still whisper to those willing to listen *The Publishers' Circular and Booksellers' Record*, 1929 *The English Catalogue of Books* Sampson Low, 1952 Volumes for 1898 1968 include a directory of publishers **Catalog of Copyright Entries.
