LAURA ENGELSTEIN

Castration And The Heavenly Kingdom A Russian Folktale

Laura Engelstein

Castration And The Heavenly Kingdom A Russian Folktale:

Castration and the Heavenly Kingdom Laura Engelstein, 2018-09-05 Of the many sects that broke from the official Russian Orthodox church in the eighteenth century one was universally despised Its members were peasants from the Russian heartland skilled in the arts of animal husbandry who turned their knives on themselves to become eunuchs for the kingdom of heaven s sake Convinced that salvation came only with the literal excision of the instruments of sin they were known as Skoptsy the self castrated Their community thrived well into the twentieth century when it was destroyed in the Stalinist Terror In a major feat of historical reconstruction Laura Engelstein tells the sect s astonishing tale She describes the horrified reactions to the sect by outsiders including outraged bureaucrats physicians and theologians More important she allows the Skoptsy a say in defining the contours of their history and the meaning behind their sacrifice Her deft handling of their letters and notebooks lends her book unusual depth and pathos and she provides a heartbreaking account of willing exile and of religious belief so strong that its adherents accepted terrible pain and the denial of a basic human experience Although the Skoptsy express joy at their salvation the words of even the most fervent believers reveal the psychological suffering of life on society s margins No foreign tribe or exotic import the sect drew its members from the larger peasant society where marriage was expected and adulthood began with the wedding night Set apart by the very act that guaranteed their redemption these lambs of God became adept at concealing their sectarian identity as they interacted with their Orthodox neighbors Interaction was necessary Engelstein explains since the survival of the Skoptsy depended upon recruitment of new members and on success in agriculture and trade Realizing that some prejudices have changed little over the centuries Engelstein cautions that we must not cast the shadow of our own distress on the story of the Skoptsy Their physical suffering was something they willingly embraced In *Castration and the Heavenly Kingdom* she has produced a remarkable history that also illuminates the mysteries of the human heart *Photocopied materials for Laura Engelstein's Castration and the heavenly kingdom : a Russian folktale* ,1975 Includes approximately 200 photocopied articles book chapters and other research materials gathered during the writing of *Castration and the heavenly kingdom a Russian folktale* published in 1999 **Castration and the Heavenly Kingdom** Laura Engelstein, 1999 Myths and mysteries Reports and revelations Boundaries and betrayals Testimony of faith Light and shadow *Russian Baptists and Spiritual Revolution, 1905-1929* Heather J. Coleman, 2005-04-20 a fascinating read for everyone interested in Russia religion and modernity Nadieszda Kizenko In the early 20th century Baptists were the fastest growing non Orthodox religious group among Russians and Ukrainians Heather J Coleman traces the development of Baptist evangelical communities through a period of rapid industrialization war and revolution when Russians found themselves asking new questions about religion and its place in modern life Baptists faith helped them navigate the problems of dissent of order and disorder of modernization and westernization and of national and social identity in their changing society Making use of newly available archival material

this important book reveals the ways in which the Baptists own experiences and the widespread discussions that they generated illuminate the emergence of new social and personal identities in late Imperial and early Soviet Russia the creation of a public sphere and a civic culture and the role of religious ideas in the modernization process Beyond the Monastery Walls Patrick Lally Michelson,2017-07-11 As the cultural and ideological foundations of imperial Russia were threatened by forces of modernity an array of Orthodox churchmen theologians and lay thinkers turned to asceticism hoping to ensure the coming Kingdom of God promised to the Russian nation **Afanasii Shchapov and the Significance of Religious Dissent in Imperial Russia, 1848-70** Thomas Marsden,2008-01-14 In the 1650s and 1660s the head of the Russian Orthodox Church Patriarch Nikon carried out a series of reforms which were rejected by a large number of the faithful The split that resulted the Great Schism or raskol led a large proportion of the Russian population to become completely isolated from the official church Known as raskolniki they were seen as stubborn opponents of both church and government and were fiercely persecuted Two centuries later amidst peasant protests revolutionary conspiracies and government paranoia Russia's religious dissenters were again at the forefront of national concerns Russia's autocratic rulers while equating Orthodoxy with political loyalty saw the heterodox as a threat to internal security At the same time Russian revolutionaries began to look to the people as an instrument of political change Where all too often loyalty to the Tsar was the defining feature of the peasants the raskolniki with their persecuted history and stubborn resistance seemed to promise a well of opposition from which the radicals could draw The historian and radical thinker Afanasii Shchapov 1830-1876 championed religious dissent as a politically democratic movement More than anyone else he defined the relationship between political and religious dissent that was to persist until the revolution of 1917 In examining Shchapov's works together with a wide range of printed and archival sources Thomas Marsden reveals that the raskolniki were central to the most important questions of mid nineteenth century Russian society those of revolution nationality and progress *The Velizh Affair* Eugene M. Avrutin,2018 The Velizh case was the longest ritual murder investigation in the modern world Drawing on newly discovered trial records historian Eugene M Avrutin looks beyond antisemitism as the single most important factor in understanding ritual murder accusations and in the process provides an intimate glimpse of small town life in eastern Europe **Comrade Pavlik** Catriona Kelly,2014-04-03 It was September 1932 Gerasimovka Western Siberia Two children are found dead in the forest outside a remote village Both have been repeatedly stabbed and their bloody bodies are covered in sticky crimson cranberry juice Who committed these horrific murders has never been proved but the elder boy thirteen year old Pavlik Morozov was quickly to become the most famous boy in Soviet history statues of him were erected biographies published and children across the country were exhorted to emulate him Catriona Kelly's aim is not to find out who really killed the boys but rather to explore how Stalin's regime turned Pavlik into a hero designed to produce good Soviet citizens Pavlik's story is intriguing and multi layered did he denounce his own father to the authorities Was he

murdered by members of his own family Did he ever belong to the Pioneers the Communist youth organization who claimed him as member No 001 This is the first book in English on Pavlik s legend using previously inaccessible local archives

Russia's Entangled Embrace Stephen Badalyan Riegg,2020-07-15 Russia s Entangled Embrace traces the relationship between the Romanov state and the Armenian diaspora that populated Russia s territorial fringes and navigated the tsarist empire s metropolitan centers By engaging the ongoing debates about imperial structures that were simultaneously symbiotic and hierarchically ordered Stephen Badalyan Riegg helps us to understand how for Armenians and some other subjects imperial rule represented not hypothetical clear cut alternatives but simultaneous messy realities He examines why and how Russian architects of empire imagined Armenians as being politically desirable These circumstances included the familiarity of their faith perceived degree of social political or cultural integration and their actual or potential contributions to the state s varied priorities Based on extensive research in the archives of St Petersburg Moscow and Yerevan Russia s Entangled Embrace reveals that the Russian government relied on Armenians to build its empire in the Caucasus and beyond Analyzing the complexities of this imperial relationship beyond the reductive question of whether Russia was a friend or foe to Armenians allows us to study the methods of tsarist imperialism in the context of diasporic distribution interimperial conflict and alliance nationalism and religious and economic identity *The Heart of Russia* Scott Mark

Kenworthy,2010-10-08 In the 1830s and 1840s increasing numbers of Russians renounced the modernized secularized Westernized Russia created by Peter the Great in an effort to revive alternative lifestyles based on Orthodox spirituality and values This effort found expression in a revival of monasticism that began in the era of Nicholas I and would last for the duration of the imperial period brought to an end only by the cataclysm of revolution and repression of the new Bolshevik regime Suppressed by the communists Russian monasticism experienced another revival in the post World War II era and again in the post Soviet period demonstrating that the impulse to renounce the contemporary world for the cloister is a central pattern of Russian religiosity This book is the first comprehensive analysis of these monastic revivals presenting a fundamentally new picture of religion in modern Russia Scott Kenworthy s approach is that of a contextualized microhistory an in depth study of one monastic complex framed within research on monasticism more broadly The case study here is Russia s largest and most famous monastery the Trinity Sergius Lavra in Sergiev Posad near Moscow With the collapse of the Soviet Union the Russian Orthodox Church is again experiencing a revival and monasticism is playing a central role in this resurgence In the search to recover the past Russian Orthodox are turning to the nineteenth century revival as a normative model Numerous Russians are once again renouncing the contemporary world in this case both the socialist past and the post socialist capitalist present and opting for a mode of life that represents a return to past values Monasteries are again foci of popular piety as well as of important publishing activities and their spirituality is regarded as the purest expression of Orthodox ideals This book provides an essential basis for understanding Orthodoxy in its historical context and its

contemporary manifestations

If you ally dependence such a referred **Castration And The Heavenly Kingdom A Russian Folktale** books that will allow you worth, acquire the utterly best seller from us currently from several preferred authors. If you want to funny books, lots of novels, tale, jokes, and more fictions collections are with launched, from best seller to one of the most current released.

Castration And The Heavenly Kingdom A Russian Folktale Introduction

In today's digital age, the availability of *Castration And The Heavenly Kingdom A Russian Folktale* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Castration And The Heavenly Kingdom A Russian Folktale* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Castration And The Heavenly Kingdom A Russian Folktale* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Castration And The Heavenly Kingdom A Russian Folktale* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Castration And The Heavenly Kingdom A Russian Folktale* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Castration And The Heavenly Kingdom A Russian Folktale* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Castration And The Heavenly Kingdom A Russian Folktale* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Castration And The Heavenly Kingdom A Russian Folktale books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Castration And The Heavenly Kingdom A Russian Folktale books and manuals for download and embark on your journey of knowledge?

FAQs About Castration And The Heavenly Kingdom A Russian Folktale Books

1. Where can I buy Castration And The Heavenly Kingdom A Russian Folktale books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
