Defeat Confederacy Documentary Survey:

The Defeat of the Confederacy Henry Steele Commager, 1964 Selected writings of historians of both the North and the South on the causes of the collapse of the Confederacy in 1865 [The Defeat of the Confederacy: A Documentary Survey](#) Henry Steele Commager, 2015-01-01 A collection of essays from various historians that analyze the reasons for the defeat of the Confederate army *The Fourth Battle of Winchester* Richard M. McMurry, 2002 This text using a counterfactual account of the 1864 campaigns in Virginia presents a view of the American Civil War from the West moving the narrow confines of the Old Dominion to the vast Trans Appalachian region and gives the reader an understanding of how and why the war ended *The Era of the Civil War--1820-1876* Louise A. Arnold-Friend, US Army Military History Institute, 1982

Why the North Won the Civil War Henry Steele Commager, 1996-11-05 Six authoritative views on the economic military diplomatic social and political reasons behind the confederacy's defeat **Freedom's Delay** Allen Carden, 2014-10-30 The Declaration of Independence proclaimed freedom for Americans from the domination of Great Britain yet for millions of African Americans caught up in a brutal system of racially based slavery freedom would be denied for ninety additional years until the ratification of the Thirteenth Amendment to the U S Constitution Freedom's Delay America's Struggle for Emancipation 1776-1865 probes the slow painful yet ultimately successful crusade to end slavery throughout the nation North and South This work fills an important gap in the literature of slavery's demise Unlike other authors who focus largely on specific time periods or regional areas Allen Carden presents a thematically structured national synthesis of emancipation Freedom's Delay offers a comprehensive and unique overview of the process of manumission commencing in 1776 when slavery was a national institution not just the southern experience known historically by most Americans In this volume the entire country is examined and major emancipatory efforts political literary legal moral and social made by black and white free and enslaved individuals are documented over the years from independence through the ratification of the Thirteenth Amendment Freedom's Delay dispels many of the myths about slavery and abolition including that racial servitude was of little consequence in the North and where it did exist it ended quickly and easily that abolition was a white man's cause and blacks were passive recipients of liberty that the South seceded primarily to protect states rights not slavery and that the North fought the Civil War primarily to end the subjugation of African Americans By putting these misunderstandings aside this book reveals what actually transpired in the fight for human rights during this critical era Carden's inclusion of a cogent preface and epilogue assures that Freedom's Delay will find a significant place in the literature of American slavery and freedom With a compelling preface and epilogue notes illustrations and tables and a detailed bibliography this volume will be of great value not only in courses on American history and African American history but also to the general reading public Allen Carden is professor of history at Fresno Pacific University in Fresno California He is the author of *Puritan Christianity in America Religion and Life in Seventeenth Century Massachusetts* **Catalog of**
