Kevin J. Vanhoozer, 2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it's often overlooked by modern pastors In *Hearers and Doers* Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural

Akin, David S. Dockery, Nathan A. Finn, Christopher W. Morgan, 2023-04-01 In A Handbook of Theology editors Daniel Akin David Dockery and Nathan Finn select nearly fifty contributors in the Baptist and evangelical heritage to lay a biblically informed foundation of a Christian theology for students pastors and church leaders This volume surveys six parts of theology foundations Part 1 types of theology Part 2 history and geography Part 3 Christian doctrine Part 4 the Christian life Part 5 and theology and culture Part 6 Each author centers their theological topics in the Scriptures while also being Trinitarian Christ centered Spirit enabled and mission focused The Theology for the People of God series is edited by David S Dockery Nathan A Finn and Christopher W Morgan **On the Resurrection of the Dead** James T. Turner, Jr., 2018-10-03 Christian tradition has largely held three theological affirmations on the resurrection of the physical body Firstly that bodily resurrection is not a superfluous hope of afterlife Secondly there is immediate post mortem existence in Paradise Finally there is numerical identity between pre mortem and post resurrection human beings The same tradition also largely adheres to a robust doctrine of The Intermediate State a paradisiacal disembodied state of existence following the biological death of a human being This book argues that these positions are in fact internally inconsistent and so a new theological model for life after death is required The opening arguments of the book aim to show that The Intermediate State actually undermines the necessity of bodily resurrection Additionally substance dualism a principle The Intermediate State requires is shown to be equally untenable in this context In response to this the metaphysics of the afterlife in Christian theology is re evaluated and after investigating physicalist and constitutionist replacements for substance dualist metaphysics a new theory called Eschatological Presentism is put forward This model combines a broadly Thomistic hylemorphic metaphysics with a novel theory of Time This is an innovative examination of the doctrine of life after death It will therefore be of great interest to scholars of analytic theology and philosophy of religion God the Trinity Malcolm B. Yarnell, 2016-04-15 Is the Trinity biblical Is it necessary to affirm God as three persons in one being Despite a renewed interest in the Trinity in recent years many Christians including most

evangelicals either relegate the Son of God to creaturely status or repudiate the personhood of the Holy Spirit In addition numerous scholars affirm that the doctrine of the Trinity is not clearly revealed in Scripture Is the Trinity merely a philosophical construction or is it essential to orthodox Christianity Drawing on hermeneutics and biblical and historical theology Malcolm Yarnell crafts a careful and clear response to these issues through exegesis of pivotal texts from both testaments He meticulously examines the foundational Hebrew confession known as the Shema Matthew s great commission the divine relations in the Gospel of John Paul s Corinthian benediction the opening hymn of Ephesians and the throne room vision of the Apocalypse Also considered are the relationships of language to revelation and history to metaphysics along with recent appeals to recover patristic exegesis and the Christian imagination He also challenges the reader to discern the implications of the Trinity for personal salvation as well as corporate worship
