Ethnic American Food Today: A Cultural Encyclopedia Lucy M. Long, 2015-07-17 Ethnic American Food Today introduces readers to the myriad ethnic food cultures in the U.S. today. Entries are organized alphabetically by nation and present the background and history of each food culture along with explorations of the place of that food in mainstream American society today. Many of the entries draw upon ethnographic research and personal experience, giving insights into the meanings of various ethnic food traditions as well as into what, how, and why people of different ethnicities are actually eating today. The entries look at foodways, the network of activities surrounding food itself, as well as the beliefs and aesthetics surrounding that food and the changes that have occurred over time and place. They also address stereotypes of that food culture and the culture's influence on American eating habits and menus, describing foodways practices in both private and public contexts such as restaurants, groceries, social organizations, and the contemporary world of culinary arts. Recipes of representative or iconic dishes are included. This timely two-volume encyclopedia addresses the complexity and richness of both ethnicity and food in America today.

The New Mediterranean Jewish Table Joyce Goldstein, 2016-04-12 For thousands of years, the people of the Jewish Diaspora have carried their culinary traditions and kosher laws throughout the world. In the United States, this has resulted primarily in an Ashkenazi table of matzo ball soup and knishes, brisket, and gefilte fish. But Joyce Goldstein is now expanding that menu with this comprehensive collection of over four hundred recipes from the kitchens of three Mediterranean Jewish cultures: the Sephardic, the Maghrebi, and the Mizrahi. The New Mediterranean Jewish Table is an authoritative guide to Jewish home cooking from North Africa, Italy, Greece, Turkey, Spain, Portugal, and the Middle East. It is a treasury filled with vibrant seasonal recipes, both classic and updated, that embrace fresh fruits and vegetables, grains, and legumes, small portions of meat, poultry, and fish, and a healthy mix of herbs and spices. It is also the story of how Jewish cooks successfully brought the local ingredients, techniques, and traditions of their new homelands into their kitchens. With this varied and appealing selection of Mediterranean Jewish recipes, Joyce Goldstein promises to inspire new generations of Jewish and non-Jewish home cooks alike with dishes for everyday meals and holiday celebrations. *A Soup for the Qan: Chinese Dietary Medicine of the Mongol Era As Seen in Hu*
