Dancing Through Life:

Dancing Through Life Candace Cameron Bure, Erin Davis, 2015-08-01 Candace Cameron Bure has grown up before our eyes and we've watched as she's balanced life in Hollywood with her faith for many years. But that all reached new heights when she was given the opportunity to join the cast of *Dancing With the Stars*. Being on the show was one of her dreams come true, and with that dream came the opportunity to display her Christian faith in front of millions of people through an intense season of stretching beyond her limits and to run the race God gave her with joy and perseverance. Join Candace as she reflects on the self-discovery that came through leaping out of her comfort zone. Go behind the scenes and experience the highs and lows, the roadblocks and the personal victories. Hear straight from her heart on tough lessons learned about grace, rejection, perfectionism, disappointment, accountability, dealing with criticism, and more. Through God's strength and with the help of endless support from her family and friends, see how Candace stayed true to herself and publicly lived out her faith in Christ all the way to the finale. How do you stand with conviction in your world? Where does your courage come from when faced with challenges? How do you live out your faith on a daily basis despite opposition? Your stage probably isn't in Hollywood, and the challenges you are facing may not be on live television, but they are no less real. Come along with Candace as she shares how she found the courage to stand with conviction on one of the largest platforms of her life. **Dancing**

Dancing Through Life Antoinette Benevento, Edwin Dobb, 2007-09-04 A warm and encouraging self-help book that draws inspiration and motivation from ballroom dancing. Precisely because the dance floor stands apart from the everyday world, allowing dancers to play, experiment, and take on new roles, it also serves as a stage for human behavior. Antoinette Benevento, a former national ballroom dancing champion and co-owner of Fred Astaire Dance Studios, has been a student of that stage for 25 years. She has discovered that getting out on the dance floor is a powerful and empowering metaphor for living fully in all realms of life. Some of the tenets Antoinette Benevento lives, dances, and teaches by: Persistence is a form of beauty. Give yourself permission to begin again and again and again. If you're not willing to risk falling, you'll never learn to walk or dance. Desire is the energy that moves us forward in dance and in life. To dance well and to live fully, body and soul need to work together. Building on the ballroom dancing craze that has swept the country, including the popularity of *Dancing with the Stars*, this illuminating and highly readable book shows that what you learn on the dance floor can help you dance through life. ANTOINETTE BENEVENTO is co-owner of and National Training Director for the Fred Astaire Dance Studios and a former national ballroom dancing champion. EDWIN DOBB is a contributing editor of Harper's

Magazine and has written for numerous other national publications including The New York Times Magazine Vogue and Discover
