Rules for Radical Christians Nelson R Foster, 2019-10-04 This book is a brutal expose of religion's failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain It exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline Liberals may claim that they are godless Atheists but the truth is they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer We are losing a spiritual battle by fighting with the tools of the flesh logic reason emotion science and the law We are bound to lose We need to learn the rules and methods that have been

proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed Godliness can be restored We are also fighting for the soul of our nation It is NOT the same soul that the Liberals are trying to preserve They have corrupted our nation by deception We can restore the national soul they corrupted with the truth **After the Wrath of God** Anthony M. Petro, 2015-06-01 On a cold February morning in 1987 amidst freezing rain and driving winds a group of protesters stood outside of the Unitarian Universalist Church in Amherst Massachusetts The target of their protest was the minister inside who was handing out condoms to his congregation while delivering a sermon about AIDS dramatizing the need for the church to confront the seemingly ever expanding crisis The minister's words and actions were met with a standing ovation from the overflowing audience but he could not linger to enjoy their applause Having received threats in advance of the service he dashed out of the sanctuary immediately upon finishing his sermon Such was the climate for religious AIDS activism in the 1980s In *After the Wrath of God* Anthony Petro vividly narrates the religious history of AIDS in America Delving into the culture wars over sex morality and the future of the American nation he demonstrates how religious leaders and AIDS activists have shaped debates over sexual morality and public health from the 1980s to the present day While most attention to religion and AIDS foregrounds the role of the Religious Right Petro takes a much broader view encompassing the range of mainline Protestant evangelical and Catholic groups alongside AIDS activist organizations that shaped public discussions of AIDS prevention and care in the U S Petro analyzes how the AIDS crisis prompted American Christians across denominations and political persuasions to speak publicly about sexuality especially homosexuality and to foster a moral discourse on sex that spoke not only to personal concerns but to anxieties about the health of the nation He reveals how the epidemic increased efforts to advance a moral agenda regarding the health benefits of abstinence and monogamy a legacy glimpsed as much in the traction gained by abstinence education campaigns as in the more recent cultural purchase of gay marriage The first book to detail the history of religion and the AIDS epidemic in the U S *After the Wrath of God* is essential reading for anyone concerned with the intersection of religion and public health *Pure Pleasure* Gary Thomas, 2009 Thomas invites Christians to shake off the shackles of misunderstanding about sin and experience the liberating power of living a life of holy pleasure a life that feeds relationships protects spiritual integrity and energizes worship and service [Pop Goes the Library](#) Sophie Brookover, Elizabeth Burns, 2008 You loved the blog now read the book Whether you regularly follow entertainment and gossip news or wondered Corbin Who when you saw the recent ALA READ poster Pop Goes the Library will help you connect with your users and energize your staff Pop culture blogger librarians Sophie Brookover and Elizabeth Burns define what pop culture is and isn't and share insights tips techniques and success stories from all types of libraries
