into the Temple and he and the people entered into a new covenant to seek the Lord God of their fathers upon pain of death to those who worshiped other Gods and his son Jehosaphat took away the high places and in the third year of his reign sent some of his Princes and of the Priests and Levites to teach in the cities of Judah and they had the book of the Law with them and went about throughout all the cities of Judah and taught the people This is that book of the Law which was afterwards lost in the reign of Manasses and found again in the reign of Josiah and therefore it was written before the third year of Jehosaphat The same book of the Law was preserved and handed down to posterity by the Samaritans and therefore was received by the ten Tribes before their captivity For when the ten Tribes were captivated a Priest or the captivity was sent back to Bethel by order of the King of Assyria to instruct the new inhabitants of Samaria in the manner of the God of the land and the Samaritans had the Pentateuch from this Priest as containing the law or manner of the God of the land which he was to teach them For they persevered in the religion which he taught them joining with it the worship of their own Gods and by persevering in what they had been taught they preserved this book of their Law in the original character of the Hebrews while the two Tribes after their return from Babylon changed the character to that of the Chaldees which they had learned at Babylon
