Daniel In God I Trust

Practical Christianity Foundation

Daniel In God I Trust:

Daniel Practical Christianity Foundation,2001 Daniel was a man both tested and exalted Regardless of external circumstances his commitment to the Lord God Almighty never fluctuated He relied upon God for both life saving miracles and the smallest of provisions In this study through the intriguing book of Daniel we will see this one man s unwavering faith in his God beginning from the time that he arrived in Babylon as a young captive and continuing throughout his years of service under the authority of several heathen kings and kingdoms There is perhaps no better example of godly faith dependency trust and worship than in the character of the prophet Daniel Daniel In God I Trust Practical Christianity Foundation,2020-08-08 In God I trust The prophet Daniel was a man both tested and exalted His commitment to the Lord God Almighty never fluctuated He relied upon God for both life saving miracles and the smallest of provisions In this intriguing book we will examine this one man s unwavering faith in his God beginning from the time that he arrived in Babylon as a young Jew and continuing throughout his years of service under the authority of several kings and kingdoms There is perhaps no better example of godly faith dependency trust and worship than in the character of the prophet Daniel He was faithful to God and commendable before men This chapter by chapter and verse by verse exegesis of the wonderful prophetic work of Daniel in itself one of the most readable books of the Bible is a triumph This major collaborative undertaking provides a format for devotional study that challenges any other work of its kind For any reader with a thirst for irrefutable Bible knowledge this scholarly but practical approach to the study of Daniel is enthusiastically recommended The Late Dr James Kennedy Ph D Senior Minister Coral Ridge Presbyterian Church **Daniel in the Preterists' Den** Thomas A. Howe,2008-06-01 In recent years there has been rise in popularity and visibility of the debate about the last things Preterists and Futurists have published books articles and even movies promoting their respective views This debate has elevated the interest of the Christian public in eschatological issues Along with the increased interest in eschatology there has been a rise in popularity of the Preterist view which holds that most or all of the prophecies about Christ s coming have already been fulfilled that the second coming took place in 70 AD Most of the discussion from those who espouse the Preterist view however revolves around certain passages in the New Testament and their treatment of Old Testament passages is sporadic and selective The importance of the book of Daniel in these discussions cannot be overstated However most commentaries on Daniel from a Futurist perspective have not dealt with the Preterists interpretations of the key prophetic passages There simply is no detailed commentary on the book of Daniel that addresses the Presterist interpretations of this important book This book is a commentary on the entire book of Daniel from a Futurist perspective that specifically addresses the Preterist interpretations of the key prophetic passages This is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance Rather this is a commentary on the entire book of Daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these

passages as they fit into the context of the book as a whole
