Danielle Steel Daddy:

Daddy Danielle Steel, 1990-10-01 Oliver Watson's world suddenly dissolves around him when Sarah his wife of eighteen years returns to Harvard to get her master's degree. Oliver is left on his own with three children and a freedom he never wanted and doesn't completely understand. His family's needs and demands suddenly consume his life. When Oliver's mother is diagnosed as having Alzheimer's disease and dies soon thereafter, Oliver's father's life is changed as well. Braver than his son with less of a future before him, George Watson at seventy-two quickly embraces new relationships and eventually a new life. The sudden changes come as a shock to both father and son. Ben, Oliver's oldest son, rejects his father and reaches outward under the illusion that he is grown up and can make it on his own. Melissa, the middle child, blames Oliver for her mother's desertion. And Sam, the baby, is too shaken to deal with it at all. Now the only parent, Daddy must somehow cope with this troubled family and explore a world of new responsibilities, new women, and new experiences. Each of the three men must start a new life: Oliver in New York and then in Los Angeles with his children; once he faces the biggest change in his life, his widowed father with the woman next door; and seventeen-year-old Ben with his girlfriend and baby. Nothing is as it was before; nothing is as they once thought it would be. But in the end, different is better; different is more for each of them, and especially for Daddy.

Daddy Danielle Steel, 2014-12 ***Daddy's Girls*** Danielle Steel, 2020-06-09 NEW YORK TIMES BESTSELLER In Danielle Steel's riveting novel, three women raised by their father on a sprawling California ranch now confront difficult truths about their past. Decades ago, after the death of his wife, Texas ranch hand JT Tucker took his three small daughters to California to start a new life. With almost no money, a will of iron, and hard work, he eventually built the biggest ranch in California. But when he dies suddenly at the age of sixty-four, the ranch is inherited by his three daughters, each of them finding it impossible to believe that this larger-than-life figure is gone from their lives. JT's relationship with each daughter was entirely different: Caroline, the youngest and most reserved, was overlooked by her father for her entire life and fled to become a wife, mother, and writer in Marin County; Gemma, his declared favorite, sought out Hollywood glamour and success and became a major television star; Kate, the eldest, stayed at home with her father to do his bidding as a ranch hand without thanks or praise, forsaking marriage and a family of her own for the love of him. Now, upon JT's death, the paper trail he leaves behind begins to reveal much more than the three sisters ever guessed about who he really was. It will turn their world upside down, and each of them must grapple with a new reality, strengthening their relationships with one another and discovering who they are now as grown women in spite of him. Set against the magnificent backdrop of the West and the drama of a family in turmoil, *Daddy's Girls* is the story of three remarkable women and their unique bond to each other, the daughters of a complex, many-faceted domineering father who left his mark on each of them.

Daddy's Girls Danielle Steel, 2021-05-25 Three sisters are inspired by a father who has done everything he can to give them the life he never had. But when tragedy strikes, can they come together to overcome the bad times and succeed as their father's daughters? Kate

Gemma and Caroline Tucker have grown up to be three very different women but with a bond that only sisters experience. What they all have in common is an unfailing admiration for their father Jimmy who through sheer ambition and hard work brought them from Texas when their mother left under mysterious circumstances and raised them to enjoy a good life on their now successful ranch in California's beautiful Santa Ynez Valley. Above all he taught them to follow their dreams. Kate as a talented horsewoman was born to take over the ranch while Gemma escaped the Valley for a new life in Hollywood and is now the star of a major long running TV drama. Caroline left for university to study law and is now married to a wealthy businessman in Marin County and has two children. When tragedy strikes family secrets are revealed and the three girls have to face some tough and heartbreaking decisions. But they face the crises together and discover that sometimes you have to go through the clouds to find the sun. Ultimately they come to recognize that they are their father's daughters and they understand the special gift he gave them.
