

Dante

A Brief History

Peter S. Hawkins

Dante A Brief History

Christopher Kleinhenz, Kristina Olson

Dante A Brief History:

Dante Peter S. Hawkins, 2006-09-29 For over seven centuries Dante and his masterpiece *The Divine Comedy* have held a special place in Western culture. The poem is at once a vivid journey through hell to heaven, a poignant love story, and a picture of humanity's relationship to God. It is so richly imaginative that a first reading can be bewildering. In response, Peter Hawkins has written an inspiring introduction to the poet, his greatest work, and its abiding influence. His knowledge of Dante and enthusiasm for his vision make him an expert guide for the willing reader.

Dante: A Very Short Introduction Peter Hainsworth, David Robey, 2015-02-26 In this *Very Short Introduction*, Peter Hainsworth and David Robey take a different approach to Dante by examining the main themes and issues that run through all of his work, ranging from autobiography to understanding God and the order of the universe. In doing so, they highlight what has made Dante a vital point of reference for modern writers and readers, both inside and outside Italy. They emphasize the distinctive and dynamic interplay in Dante's writing between argument, ideas, and analysis on the one hand, and poetic imagination on the other. Dante was highly concerned with the political and intellectual issues of his time, demonstrated most powerfully in his notorious work *The Divine Comedy*. Tracing the tension between the medieval and modern aspects, Hainsworth and Robey provide a clear insight into the meaning of this masterpiece of world literature. They highlight key figures and episodes in the poem, bringing out the originality and power of Dante's writing to help readers understand the problems that Dante wanted his audience to confront, but often left up to the reader to resolve.

ABOUT THE SERIES The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Oxford Handbook of Dante Manuele Gragnolati, Elena Lombardi, Francesca Southerden, 2021-03-25 The *Oxford Handbook of Dante* contains forty-four specially written chapters that provide a thorough and creative reading of Dante's oeuvre. It gathers an intergenerational and international team of scholars encompassing diverse approaches from the fields of Anglo-American, Italian, and continental scholarship, and spanning several disciplines: philology, material culture, history, religion, art history, visual studies, theory, from the classical to the contemporary, queer, post, and de-colonial, and feminist studies. The volume combines a rigorous reassessment of Dante's formation, themes, and sources with a theoretically up-to-date focus on textuality, thereby offering a new critical Dante. The volume is divided into seven sections: Texts and Textuality; Dialogues; Transforming Knowledge; Space and Places; A Passionate Selfhood; A Non-linear Dante; and *Nachleben*. It seeks to challenge the *Commedia*-centric approach, the conviction that notwithstanding its many contradictions, Dante's works move towards the great reservoir of poetry and ideas that is the *Commedia*, in order to bring to light a non-teleological way in which these works relate amongst themselves. Plurality and the openness of interpretation appear as Dante's very mark, coexisting with the attempt to create an all-encompassing mastership. The Handbook suggests

what is exciting about Dante now and indicate where Dante scholarship is going or can go in a global context

Approaches to Teaching Dante's Divine Comedy Christopher Kleinhenz, Kristina Olson, 2020-02-01 Offers pedagogical techniques for teaching Dante's Divine Comedy Includes considerations of textual traditions translations the work's relation to classical works gender and LGBTQ themes visual arts music popular culture theology video games the papacy and influence Gives syllabus suggestions for high school undergraduate graduate and creative writing courses and prison settings

Dante's Commedia Vittorio Montemaggi, Matthew Treherne, 2010-03-15 In Dante's Commedia Theology as Poetry an international group of theologians and Dante scholars provide a uniquely rich set of perspectives focused on the relationship between theology and poetry in the Commedia Examining Dante's treatment of questions of language personhood and the body his engagement with the theological tradition he inherited and the implications of his work for contemporary theology the contributors argue for the close intersection of theology and poetry in the text as well as the importance of theology for Dante studies Through discussion of issues ranging from Dante's use of imagery of the Church to the significance of the smile for his poetic project the essayists offer convincing evidence that his theology is not what underlies his narrative poem nor what is contained within it it is instead fully integrated with its poetic and narrative texture As the essays demonstrate the Commedia is firmly rooted in the medieval tradition of reflection on the nature of theological language while simultaneously presenting its readers with unprecedented sustained poetic experimentation Understood in this way Dante emerges as one of the most original theological voices of the Middle Ages Contributors Piero Boitani Oliver Davies Theresa Federici David Ford Peter S Hawkins Douglas Hedley Robin Kirkpatrick Christian Moevs Vittorio Montemaggi Paola Nasti John Took Matthew Treherne and Denys Turner

Dante's Sacred Poem Sheila J. Nayar, 2014-08-28 Arguing that the consecrated body in the Eucharist is one of the central metaphors structuring The Divine Comedy this book is the first comprehensive exploration of the theme of transubstantiation across Dante's epic poem Drawing attention first to the historical and theological tensions inherent in ideas of transubstantiation that rippled through Western culture up to the early fourteenth century Sheila Nayar engages in a Eucharistic reading of both the flesh allusions and metamorphosis motifs that thread through the entirety of Dante's poem From the cannibalistic resonances of the Ugolino episode in the Inferno to the Corpus Christi like procession seminal to Purgatory Nayar demonstrates how these sacrifice and Host related metaphors allusions and tropes lead directly and intentionally to the Comedy's final vision that of the Eucharist itself Arguing that the final revelation in Paradise is analogically the Bread of Life Nayar brings to the fore Christ's centrality as sacrament to The Divine Comedy a reading that is certain to alter current day thinking about Dante's poem

Discourses of Mourning in Dante, Petrarch, and Proust Jennifer Rushworth, 2016-11-24 This book brings together in a novel and exciting combination three authors who have written movingly about mourning two medieval Italian poets Dante Alighieri and Francesco Petrarca and one early twentieth century French novelist Marcel Proust Each of these authors through their respective narratives of

bereavement grapples with the challenge of how to write adequately about the deeply personal and painful experience of grief In Jennifer Rushworth s analysis discourses of mourning emerge as caught between the twin conflicting demands of a comforting readable shared generality and a silent solitary respect for the uniqueness of any and every experience of loss Rushworth explores a variety of major questions in the book including what type of language is appropriate to mourning What effect does mourning have on language Why and how has the Orpheus myth been so influential on discourses of mourning across different time periods and languages Might the form of mourning described in a text and the form of closure achieved by that same text be mutually formative and sustaining In this way discussion of the literary representation of mourning extends to embrace topics such as the medieval sin of acedia the proper name memory literary epiphanies the image of the book and the concept of writing as promise In addition to the three primary authors Rushworth draws extensively on the writings of Sigmund Freud Julia Kristeva Jacques Derrida and Roland Barthes These rich and diverse psychoanalytical and French theoretical traditions provide terminological nuance and frameworks for comparison particularly in relation to the complex term melancholia **Dante and the Early Astronomer** Tracy Daugherty,2019-04-23

Explore the evolution of astronomy from Dante to Einstein as seen through the eyes of trailblazing Victorian astronomer Mary Acworth Evershed In 1910 Mary Acworth Evershed 1867 1949 sat on a hill in southern India staring at the moon as she grappled with apparent mistakes in Dante s Divine Comedy Was Dante s astronomy unintelligible Or was he for a man of his time and place as insightful as one could be about the sky As the twentieth century began women who wished to become professional astronomers faced difficult cultural barriers but Evershed joined the British Astronomical Association and from an Indian observatory became an experienced observer of sunspots solar eclipses and variable stars From the perspective of one remarkable amateur astronomer readers will see how ideas developed during Galileo s time evolved or were discarded in Newtonian conceptions of the cosmos and then recast in Einstein s theories The result is a book about the history of science but also a poetic meditation on literature science and the evolution of ideas *Jung, Dante, and the Making of the Red Book: Of Fire and Form* Tommaso Priviero,2023-08-04 This book explores the genesis of the Red Book or Liber Novus through the lens of Jung s lifelong confrontation with Dante and in doing so provides the first ever thorough comparative analysis of the intertextual and symbolical correspondences between Liber Novus and the Commedia Starting from Jung s multifaceted fascination with Dante and his pivotal role in the former s visionary material at historical hermeneutical and psychological levels the book challengingly envisions Liber Novus as Jung s Divine Comedy This work finds a new way of approaching Jung s understanding of concepts such as visionary works and visionary mind and considers how this approach can enhance our vision of depth psychology Through various thematics such as the metanoia and the symbolism of animals as well as the transformative role of the feminine and the erotic and spiritual imagery of the soul this work revolves around the Jung Dante correlation Offering an original perspective within the field of Jungian and Dante scholarship this book will be of great

interest to academics and postgraduate students studying in the areas of Jung Dante analytical psychology depth psychology hermeneutics and Western esoteric currents and practices The book will also appeal to Jungian analysts and psychoanalysts more broadly

The Complete Danteworlds Guy P. Raffa, 2009-08-01 Dante Alighieri's Divine Comedy has despite its enormous popularity and importance often stymied readers with its multitudinous characters references and themes But until the publication in 2007 of Guy Raffa's guide to the Inferno students lacked a suitable resource to help them navigate Dante's underworld With this new guide to the entire Divine Comedy Raffa provides readers experts in the Middle Ages and Renaissance Dante neophytes and everyone in between with a map of the entire poem from the lowest circle of Hell to the highest sphere of Paradise Based on Raffa's original research and his many years of teaching the poem to undergraduates The CompleteDanteworlds charts a simultaneously geographical and textual journey canto by canto region by region adhering closely to the path taken by Dante himself through Hell Purgatory and Paradise This invaluable reference also features study questions illustrations of the realms and regional summaries Interpreting Dante's poem and his sources Raffa fashions detailed entries on each character encountered as well as on many significant historical religious and cultural allusions

Unveiling the Power of Verbal Artistry: An Emotional Sojourn through **Dante A Brief History**

In some sort of inundated with screens and the cacophony of fast conversation, the profound power and psychological resonance of verbal beauty often diminish into obscurity, eclipsed by the continuous onslaught of sound and distractions.
