Dardedel Manoucher Parvin, 2015-12-22 A most unusual novel is Manoucher Parvin's *Dardedel Rumi Hafez and Love* in New York. For starters it's written in free verse. For another it contrasts the world of thirteenth and fourteenth century Persia with that of present day New York by bringing back to life the famed Persian poets Rumi and Hafez who reincarnate themselves to help a suicidal Persian American professor. It provides a double love story. It is not Hafez still considered today to be one of the ablest poets of love and also touches on the nature of things which is one of the reasons Rumi is still widely read throughout the world.
