Dare To Wonder The Creation Of God:

Dare to Wonder! Randall P. Muelot, 2013-11-04 The Creation of God An inspirational look at fortifying our belief in God Dare is a practical approach to God that avoids the confusion that can be created by traditional teachings biblical miracles and thousand year medieval beliefs Through this inspiring look Dare explains God why there is suffering what Heaven is what you can expect in your Hereafter and the true coming of God Dare gives answers that verifies the presence of our God and why we exist Dare uses a step by step approach in working with the reader to develop a reasonable and believable answer to the creation of God and your role in an after life Dare is not a sermon but does build a clear modest belief a realistic belief a different belief These are answers that do not require ancient scriptures but do provide reasoning and common sense solutions As we go through each chapter you will become aware of a new aspect of God that is credible and shows you an emotional and worthwhile future with God for possibly millions of years Logic and facts are the basis of this book and in many ways Dare struggles with the Bible and traditional religious teachings Should we accept the unverifiable and prehistoric writings that transpired over a thousand years ago Shouldn't we be using modern facts and common sense that reflect today's educated society As our worldly knowledge increases and if religion continues to disregard obvious evidence relics and time worn proof of man kind's millions of years of existence religious credibility will diminish Eventually religion will become a smaller and smaller part of our lives and that is truly the sin We must have belief in God Take the dare read this book

Hope for God's Creation Andrew J. Spencer, 2023-09-15 In Hope for God's Creation Andrew Spencer develops a Christian vision for creation care that is rooted in the goodness of the physical world and the hope for new creation

Be Daring (Acts 13-28) Warren W. Wiersbe, 2010-01-01 In his motivational sequel to Be Dynamic Acts 1-12 best selling author Warren Wiersbe skillfully explains the book of Acts to the layperson and the pastor alike A respected pastor and a man whose study series has sold over 4 million copies Wiersbe affectionately calls the apostle Luke Dr Luke as he shows how Dr Luke recorded Paul's missionary journeys Readers travel through dungeon prisons see the ancient world as if it were today and witness the marvelous work God can do through a few souls fully surrendered to His purposes They witness Paul's conversion and spot his imperfections yet still they enter his successes as the Lord uses Him to preach Good News to the lost and dying Because there are hardships today places where God is unwelcome and people whose hearts are unreceptive both young and old will benefit from knowing that Paul's God is their God the God of the ages They will persevere till the finish line to win the prize for which God calls them heavenward in Christ Jesus Philippians 4:13

Daniels,2011-02-23 *The Eighth Wonder of the World* Jerry L. Rhoads,2015-03-31 Words expression and relationships give me the opportunity to connect with someone I will never meet There are 1 025 109 words in the English language I have only used 80 182 of those words in 14 792 paragraphs in 22 987 lines Some rhyme and or form prose designed to put forth a different way of looking at my past situation and reflect on truth or dare in living our life Jerry L Rhoads CPA CEO All American Care of Muscatine and Washington 2002 Cedar Street Muscatine Iowa 52761 Over the years I have contemplated publishing the poems but always put it off due to a lack of time to translate from paper to digital those thoughts of thirty years past I have found not one poem dated because they reflected words spoken from my head that focuses on the ideas of times and events that never really change just mature evolve and reoccur if you are to have memories that mean anything Love religion war peace work and play all are never going to age just the mode of expression Today I still have those in 12 three ring binders on yellowing stock and use them to trigger my editing and writing skills into this book The material is overwhelming since there are about 2 500 poems Every conceivable word that I saw along the road on billboards road signs advertisements business signs or heard etc triggered a poem onto tape then onto paper Today I am to converting these to a digital format so I can capture the thoughts and evolve these rough drafts into many more books I have tried to make the organization somewhat topical focusing on the better material in my artistic opinion yours will by nature be different and that is the power of the written word My intention in triggering topics and titles is not unconventional but does challenge the reader to believe I know that much about words and very little about conventional poetry So if you like or dislike the ideas and use of the English language that kept me occupied over 1 million miles in my car so be it **Wake Up to Wonder** Karen Wright Marsh,2023-07-11 In her quest to live a vibrant spiritual life
