**United States. Congress. House.
Committee on Ways and Means**

Depression Proof Your Future:

The Georgia of the North Hettie V. Williams, 2024-07-12 The Georgia of the North is a compelling narrative about the little known struggles that African American women and their community faced when they arrived in the Garden State by way of the Great Migration to 1954 as they laid the foundations of the American civil rights movement in the North in the process

Debt-Proof Living Mary Hunt, 2014-07-29 Your fool proof guide to paying off debt planning for the future and breaking free of our debt loving culture The consumer credit industry wants us to believe that debt is necessary to bridge the gap between our pitiful incomes and the lifestyles we desire But the problem is not that we don't have enough money It's that we don't know how to manage the money we already have And until we learn that more money will never be enough In this life changing book Mary Hunt shows you how to live a rich fulfilling life without any consumer debt By applying her simple principles and specific methods you will learn how to effectively manage and maximize the money you have No more guessing wondering or worrying Just peace and a more abundant life What have you got to lose

Mary Hunt's Debt-proof Living Mary Hunt, 1999 The author will convince you with warmth and humor that it is possible to live a rich fulfilling life without consumer debt and she'll show you exactly how to do it

Popular Mechanics, 1950-05 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle

Encyclopedia of African American Business Jessie Smith, 2017-11-27 This two volume set showcases the achievements of African American entrepreneurs and the various businesses that they founded developed or promote as well as the accomplishments of many African American leaders both those whose work is well known and other achievers who have been neglected in history Nearly everyone is familiar with New York City's Wall Street a financial center of the world but much fewer individuals know about the black Wall Streets in Durham and Tulsa where prominent examples of successful African American leaders emerged Encyclopedia of African American Business Updated and Revised Edition tells the fascinating story that is the history of African American business providing readers with an inspiring image of the economic power of black people throughout their existence in the United States It continues the historical account of developments in the African American business community and its leaders describing the period from 18th century America to the present day The book describes current business leaders opens a fuller and deeper insight into the topics chosen and includes numerous statistical tables within the text and in a separate section at the back of the book The encyclopedia is arranged under three broad headings Entry List Topical Entry List and African American Business Leaders by Occupation This arrangement introduces readers to the contents of the work and enables them to easily find information about specific individuals topics or occupations The book will appeal to students from high school through graduate school as well as researchers library directors business enterprises and anyone interested in biographical information on African Americans

who are business leaders will benefit from the work Madam C.J. Walker Cookie Lommel,1993 A biography of the Afro American businesswoman whose invention of facial creams and other cosmetics led to great financial success and who throughout her life devoted herself to many social and political causes Hearings United States. Congress. House,1942

Hope in a Jar Kathy Peiss,2011-11-29 How did powder and paint once scorned as immoral become indispensable to millions of respectable women How did a kitchen physic as homemade cosmetics were once called become a multibillion dollar industry And how did men finally take over that rarest of institutions a woman s business In Hope in a Jar historian Kathy Peiss gives us the first full scale social history of America s beauty culture from the buttermilk and rice powder recommended by Victorian recipe books to the mass produced products of our contemporary consumer age She shows how women far from being pawns and victims used makeup to declare their freedom identity and sexual allure as they flocked to enter public life And she highlights the leading role of white and black women Helena Rubenstein and Annie Turnbo Malone Elizabeth Arden and Madame C J Walker in shaping a unique industry that relied less on advertising than on women s customs of visiting and conversation Replete with the voices and experiences of ordinary women Hope in a Jar is a richly textured account of the ways women created the cosmetics industry and cosmetics created the modern woman **Hearings** United States. Congress. House. Committee on Ways and Means,1942 Encyclopedia of African American Business History Juliet E. K. Walker,1999-11-30 Black business activity has been sustained in America for almost four centuries From the marketing and trading activities of African slaves in Colonial America to the rise of 20th century black corporate America African American participation in self employed economic activities has been a persistent theme in the black experience Yet unlike other topics in African American history the study of black business has been limited General reference sources on the black experience with their emphasis on social cultural and political life provide little information on topics related to the history of black business This invaluable encyclopedia is the only reference source providing information on the broad range of topics that illuminate black business history Providing readily accessible information on the black business experience the encyclopedia provides an overview of black business activities and underscores the existence of a historic tradition of black American business participation Entries range from biographies of black business people to overview surveys of business activities from the 1600s to the 1990s including slave and free black business activities and the Black Wallstreet to coverage of black women s business activities and discussions of such African American specific industries as catering funeral enterprises insurance and hair care and cosmetic products Also there are entries on blacks in the automotive parts industry black investment banks black companies listed on the stock market blacks and corporate America civil rights and black business and black athletes and business activities
