Dancing with the Tiger Brian F. Nattrass, Mary Altomare, 2002 Sustainability consultants to Fortune 500 companies examine the real business impacts of the Natural Step framework **Clean, Green and Responsible?** Gabriel Eweje, Ralph J. Bathurst, 2019-07-22 New Zealand and Australia are broadly considered to be countries in which sustainability and responsibility discourses are being pursued by governments and business alike and in which incentives and initiatives are helping confront and overcome sustainability related challenges This book takes a closer look behind and beyond the marketing mantras of both Australia's and New Zealand's clean and green campaigns and on the basis of representative examples and cases critically evaluates the status quo The book assesses the effectiveness of sustainability and responsibility models with a focus on the South Pacific and argues that the ways in which issues have been dealt with in this more closely defined geographical region are most likely a good indicator of how similar issues are or soon will be dealt with around the globe As such the book offers a rich source of cases on sustainability and responsibility in the business arena a critical review and an inspirational affirmation of responsible business practice *Study Guide to accompany Environment, 4th Edition*

Peter H. Raven, Linda R. Berg, John Aliff, 2003-10-10 Work more effectively and gauge your progress as you go along This Study Guide that is designed to accompany Raven's Environment 4th Edition includes study outlines key terms and practice questions in a variety of formats multiple choice matching short answer and discussion critical thinking The key to a sustainable future lies with the students It is their passion their understanding of the issues and most of all their choices that will shape the future of our planet As it has through three previous editions Peter Raven and Linda Berg's Environment gives students all the skills and tools they need to make the right choices for a sustainable environment Covering the enormous environmental challenges facing our world today this Fourth Edition helps readers think critically about these challenges and understand the concepts that underlie environmental problems **Tools for Environmental Management** Dixon
