Danger Women Artists At Work:

Danger! Women Artists at Work Debra N. Mancoff, 2012 The conventional history of art is one of great men making great paintings and displaying their works to a predominantly male audience in male run institutions Women however have had a role often working behind the scenes out of sight or in resistance to prevailing attitudes and practices And it is in these exceptions to the rules of the masculine world of art making that women artists have been perceived as groundbreaking defiant and even subversive A compelling selection of more than 60 artists from the early Renaissance to the present day among them Judith Leyster Mary Cassatt Frida Kahlo and Louise Bourgeois *Danger Women Artists at Work* explores the most intriguing and provocative aspects of art by women who shook up the art world Through a lively introduction and six thematic chapters dealing with such subjects as the ways in which women have challenged the boundaries of expression and how they have viewed the human body Debra N Mancoff presents an absorbing tale of those who have struggled and triumphed in their efforts to transform the visual arts

International Women Artists and War, 1560-2023 Deborah A. Deacon, 2024-09-25 Like many of their male peers women artists have used their chosen mediums to explore and express their reactions to the violence of war which they frequently experienced firsthand The 345 named artists discussed in this book come from diverse backgrounds across hundreds of years The book divides the 652 covered works of art into five general categories those that provide support for the war effort those that oppose war and or support peace those that document the impacts of war on the individuals who fight and the civilians who experience it those that commemorate and memorialize the events and participants in war and general representations of those who fight While most of the women who documented the impact of war on those who experienced it were professional artists self taught artists have told equally compelling stories in their works Whether working in a studio or on the battlefield the women s professionalism and dedication allowed them to convey the impact of war powerfully

The Art of Being Dangerous Jo Shaw, Ben Fletcher-Watson, 2021-05-03 The idea that women are dangerous individually or collectively runs throughout history and across cultures Behind this label lies a significant set of questions about the dynamics conflicts identities and power relations with which women live today *The Art of Being Dangerous* offers many different images of women some humorous some challenging some well known some forgotten but all unique In a dazzling variety of creative forms artists and writers of diverse identities explore what it means to be a dangerous woman With almost 100 evocative images this collection showcases an array of contemporary art that highlights the staggering breadth of talent among today s female artists It offers an unparalleled gallery of feminist creativity ranging from emerging visual artists from the UK to multi award winning writers and translators from the Global South Contributors Margie Orford Meredith Bergmann K E Carver Sasha de Buyl Pisco Mary Paulson Ellis Melissa Ivaro Mutolo Kerri Turner Heshani Sothiraj Eddleston Joanie Conwell Dilys Rose Alison Jones Sim Bajwa Hilaire Tara Pixley Leonie Mhari Kate Feld Millie Earle Wright Helen Boden Elif Sezen Rebecca Vedavathy

Unpacking My Library Marcel Proust, 2017-01-01 A captivating tour of the bookshelves of ten leading artists exploring the intricate connections between reading artistic practice and identity Taking its inspiration from Walter Benjamin's seminal 1931 essay the Unpacking My Library series charts a spirited exploration of the reading and book collecting practices of today's leading thinkers Artists and Their Books showcases the personal libraries of ten important contemporary artists based in the United States Mark Dion Theaster Gates Wangechi Mutu Ed Ruscha and Carrie Mae Weems Canada Janet Cardiff and George Bures Miller and the United Kingdom Billy Childish Tracey Emin and Martin Parr Through engaging interviews the artists discuss the necessity of reading and the meaning of books in their lives and careers This is a book about books but it even more importantly highlights the role of literature in shaping an artist's self presentation and persona Photographs of each artist's bookshelves present an evocative glimpse of personal taste of well loved and rare volumes and of the individual touches that make a bookshelf one's own The interviews are accompanied by top ten reading lists assembled by each artist an introduction by Jo Steffens and Marcel Proust's seminal essay On Reading **Politics and Aesthetics of the Female Form, 1908-1918** Georgina Williams, 2018-04-11 This book examines the pictorial representation of women in Great Britain both before and during the First World War It focuses in particular on imagery related to suffrage movements recruitment campaigns connected to the war advertising and Modernist art movements including Vorticism This investigation not only considers the image as a whole but also assesses tropes and constructs as objects contained within both literal and metaphorical In this way visual genealogical threads including the female figure as an ideal and William Hogarth's line of beauty are explored and their legacies assessed and followed through into the twenty first century Georgina Williams contributes to debates surrounding the deliberate and inadvertent dismissal of women's roles throughout history through literature and imagery This book also considers how absence of a pictorial manifestation of the female form in visual culture can be as important as her presence **After the Revolution** Eleanor Heartney, Helaine Posner, Nancy Princenthal, Sue Scott, 2013-11-04 Why Have There Been No Great Women Artists asked the prominent art historian Linda Nochlin in a provocative 1971 essay Today her insightful critique serves as a benchmark against which the progress of women artists may be measured In this book four prominent critics and curators describe the impact of women artists on contemporary art since the advent of the feminist movement **Women art workers and the Arts and Crafts movement** Zoë Thomas, 2020-05-15 This book constitutes the first comprehensive history of the network of women who worked at the heart

of the English Arts and Crafts movement from the 1870s to the 1930s Challenging the long standing assumption that the Arts and Crafts simply revolved around celebrated male designers like William Morris it instead offers a new social and cultural account of the movement which simultaneously reveals the breadth of the imprint of women art workers upon the making of modern society Thomas provides unprecedented insight into how women navigated authoritative roles as art workers by asserting expertise across a range of interconnected cultures from the artistic to the professional intellectual entrepreneurial and domestic Through examination of newly discovered institutional archives and private papers Thomas elucidates the critical importance of the spaces around which women conceptualised alternative creative and professional lifestyles

Suffragist Artists in Partnership Lucy Ella Rose, 2017-11-22 Explores the interconnected creative partnerships of the Watts and De Morgans Victorian artists writers and suffragists This is the first book dedicated to examining the marital relationships of Mary and George Watts and Evelyn and William De Morgan as creative partnerships The study demonstrates how they worked individually and together to support greater gender equality and female liberation in the nineteenth century The author traces their relationship to early and more recent feminism reclaiming them as influential early feminists and reading their works from twentieth century theoretical perspectives By focusing on neglected female figures in creative partnerships the book challenges longstanding perceptions of them as the subordinate wives of famous Victorian artists and of their marriages as representatives of the traditional gender binary This is also the first academic critical study of Mary Watts's recently published diaries Evelyn De Morgan's unpublished writings and other previously unexplored archival material by the Watts and the De Morgans Key Features Reveals the ways in which the couples promoted progressive socio political ideas Draws on extensive archival research and analyses unpublished writings including diaries and poems Focuses on neglected female figures in creative partnerships to challenge longstanding perceptions of them as the submissive or subordinate wives of famous Victorian artists and of their marriages as representatives of the traditional gender binary Shows how male and female writers and artists engaged with mid to late Victorian feminism together and individually reclaiming them as influential early feminists
