Danger Our Quest For Excitement:

Danger Michael J. Apter, 2007 Why do we slow down to look at car accidents Why would rich people shoplift What draws people to parachuting hooliganism or sadistic sex These are just some of the questions and conundrums Apter investigates in a fascinating study of our paradoxical appetite for danger and risk taking Danger Our Quest for Excitement explains how even in dangerous situations often because of them anxiety becomes excitement and fear exhilaration transforming the horrifying into the heavenly An intellectual tour de force Danger throws light on a critically important but often neglected force of human nature and culture

A.B.C.'s of Behavioral Forensics Sridhar Ramamoorti, David E. Morrison, III, Joseph W. Koletar, Kelly R. Pope, 2013-09-10 Get practical insights on the psychology of white collar criminals and how to outsmart them Understand how the psychologies of fraudsters and their victims interact as well as what makes auditors investigators regulators let down their guard Learn about the psychology of fraud victims including boards of directors and senior management and what makes them want to believe fraudsters and therefore making them particularly vulnerable to deception Just as IT experts gave us computer forensics we now have a uniquely qualified team immersed in psychology sociology psychiatry as well as accounting and auditing introducing the emerging field of behavioral forensics to address the phenomenon of fraud Ever wonder what makes a white collar criminal tick Why does she or he do what they do For the first time ever see the mind of the fraudster laid bare including their sometimes twisted rationalizations think like a crook to catch a crook The A B C s of Behavioral Forensics takes you there with expert advice from a diverse but highly specialized authoring team of professionals three out of the four are Certified Fraud Examiners a former accounting firm partner who has a PhD in psychology a former FBI special agent who has been with investigative practices of two of the Big Four firms an industrial psychiatrist who has worked closely with the C level suite of large and small companies and an accounting professor who has interviewed numerous convicted felons Along with a fascinating exploration of what makes people fall for the common and not so common swindles the book provides a sweeping characterization of the ecology of fraud using The A B C s of Behavioral Forensics paradigm the bad Apple rogue executive the bad Bushel groups that collude and behave like gangs and the bad Crop representing organization wide or even societally sanctioned cultures that are toxic and corrosive The book will make you take a longer look when hiring new employees and offers a deeper more complex understanding of what happens in organizations and in their people The A B C model will also help those inside and outside organizations inoculate against fraud and make you reflect on instilling the core values of your organization among your people and create a culture of excellence and integrity that acts as a prophylactic against fraud Ultimately you will discover that used wisely behavioral methods trump solely economic incentives With business fraud on the rise globally The A B C s of Behavioral Forensics is the must have book for investigators auditors the C suite and risk management professionals the boards of directors regulators and HR professionals Examines the psychology of fraud in a practical way relating it to aspects of fraud

prevention deterrence detection and remediation Helps you understand that trust violation the essence of fraud is a betrayal of behavioral assumptions about trusted people Explains how good people go bad and how otherwise honest people cross the line Underscores the importance of creating a culture of excellence and integrity that inoculates an organization from fraud risk i e honest behavior pays while dishonesty is frowned upon Provides key takeaways on what to look for when hiring new employees and in your current employees as well as creating and maintaining a culture of control consciousness Includes narrative accounts of interviews with convicted white collar criminals as well as interpretive insights and analysis of their rationalizations Furnishes ideas about how to enhance professional skepticism how to resist fraudsters how to see through their schemes how to infuse internal controls with the people behavioral element and make them more effective in addressing behavioral integrity risks Provides a solid foundation for training programs across the fraud risk management life cycle all the way from the discovery of fraud to its investigation as well as remediation so the same fraud doesn't happen again Enables auditors investigators to engage in self reflection and avoid cognitive and emotional biases and traps that lead to professional judgment errors e g overconfidence confirmation self deception groupthink halo effect availability speed accuracy trade off etc Ever since the accounting scandals surrounding Enron and WorldCom surfaced leading to the passage of the Sarbanes Oxley Act of 2002 as well as the continuing fall out from the Wall Street financial crisis precipitating the Dodd Frank Act of 2010 fraud has been a leading concern for executives globally If you thought you knew everything there was to know about financial fraud think again Get the real scoop with **The A B C s of Behavioral Forensics** **Mastering Fear** Rikke Schubart, 2018-07-12 Mastering Fear analyzes horror as play and examines what functions horror has and why it is adaptive and beneficial for audiences It takes a biocultural approach and focusing on emotions gender and play it argues we play with fiction horror In horror we engage not only with the negative emotions of fear and disgust but with a wide range of emotions both positive and negative The book lays out a new theory of horror and analyzes female protagonists in contemporary horror from child to teen adult middle age and old age Since the turn of the millennium we have seen a new generation of female protagonists in horror There are feisty teens in *The Vampire Diaries* 2009 2017 troubled mothers in *The Babadook* 2014 and struggling women in the *New French extremity* with *Martyrs* 2008 and *Inside* 2007 At the fuzzy edges of the genre are dramas like *Pan's Labyrinth* 2006 and *Black Swan* 2010 and middle age women are now protagonists with Carol in *The Walking Dead* 2010 and Jessica Lange's characters in *American Horror Story* 2011 Horror is not just for men but also for women and not just for the young but for audiences of all ages **Red Flags** Wendy L. Patrick, 2025-06-25 We all need emotional blinders the etiquette that keeps society smoothly moving depends on it But when you absolutely must rely on another person you have to be able to assess them objectively In **RED FLAGS** author Wendy L. Patrick shares simple strategies anyone can use to spot deceptive or downright dangerous people who use ingratiation and social convention to draw in and lull victims Readers will learn how even the most skeptical of us use rose colored lenses on those around us in

three sections Blinded by Desire from the alluring lenses of attraction and positive attention to the blindness of marital bliss and the distorted lens of delusion Overlooking Red Flags in a Professional Setting how reassuring proximity and the false security of credibility and similarity can lead to costly mistakes Be Afraid of What You Can't See the ultimate cost of wearing emotional blinders around the truly disturbed criminal from sexual predation to domestic abuse stalking and cyberstalking Readers will learn how to avoid selective attention observe people over time bad guys rely on first impressions ask questions most people's favorite topic is themselves cybersleuth to verify information and track down inconsistencies You need this book if you want to know if a potential boyfriend is trustworthy are interviewing or hiring new employees are selecting anyone to take care of your children are lending money or property have partners in business
