Phylis W Johnson, Michael C Keith

Dangerous Liaisons Blacks Gays And The Struggle For Equality:

Dangerous Liaisons Eric Brandt,1999 *Dangerous Liaisons* provides a platform for the leading minds of both communities including thinkers who straddle both worlds to debate the volatile subject of the relationship between African Americans and homosexuals It includes writing on minority relations by well known historians political analysts activists writers and philosophers They address such timely issues as recent high profile hate crimes against blacks and gays racism in gay and lesbian rights organizations homophobia in the black church the shift in highest rate of infection of HIV from the gay community to the black community and stereotypes in books and films *Black Sexual Politics* Patricia Hill Collins,2004-08-02 In *Black Sexual Politics* one of America s most influential writers on race and gender explores how images of Black sexuality have been used to maintain the color line and how they threaten to spread a new brand of racism around the world today **The Expanding Boundaries of Black Politics** Georgia A. Persons,2017-09-04 This volume joins the preceding volumes in this distinguished series in presenting contemporary research by leading political scientists addressing topics of interest to those concerned with African American affairs It captures the expanding boundaries of black politics and the persistent interests of the black community at large The anchoring symposium *The Expanding Boundaries of Black Politics* presents the scholarship of a cadre of young black political scientists actively engaged in the critical tasks of moving forward the study of black politics Their concerns include expanding the boundaries of black politics along the lines of epistemology and methodology especially in regard to core issues and areas within this field In an introductory essay by Todd Shaw the work of these scholars is situated within the context of temporal shifts in scholarly emphases Overlapping issues and concerns across time as well as black political scholarship as defined in the field since its beginning are addressed The second part of this volume entitled *Maximizing the Black Vote Recognizing the Limits of Electoral Politics* concentrates on serious lingering social concerns These include the policy significance of black mayors affecting the concomitant impact of the black vote the boundaries being pushed concerning the conjunction of black theology and sexual identity a gendered analysis of familial policies and the deepening social and economic plight of young black males including felon disfranchisement *The Expanding Boundaries of Black Politics* carries forth the search for an understanding of the relationship between religion the black church and black political behavior cross racial group coalitions as concerns matters of immigration growing multiculturalism and the impact on black politics maximizing the impact of the black vote focusing on voting rights enforcement the black vote in presidential elections and the voice of the Congressional Black Caucus *An Examination of Black LGBT Populations Across the United States* Juan Battle,Antonio (Jay) Pastrana, Jr.,Angelique Harris,2016-12-21 This book utilizes personal narratives and survey data from over 2 100 respondents to explore the diversity of experiences across Black LGBT communities within the United States The authors document and celebrate many of the everyday strengths and strategies employed by this extraordinary population to navigate and negotiate their daily lives

Everyday Violence against Black and Latinx LGBT Communities Siobhan Brooks, 2020-12-05 In *Everyday Violence against Black and Latinx LGBT Communities* Siobhan Brooks argues that hate crimes and violence against Black and Latinx LGBT people are the products of institutions and ideologies that exist both outside and inside of Black and Latinx communities Brooks analyzes families educational systems healthcare industries and religious spaces as institutions that can perpetuate and transform the political and cultural beliefs and attitudes that engender violence toward LGBT Black and Latinx people

Feminist Thought Rosemarie Putnam Tong, 2013-07-09 A classic resource on feminist theory *Feminist Thought* offers a clear comprehensive and incisive introduction to the major traditions of feminist theory from liberal feminism radical feminism and Marxist and socialist feminism to care focused feminism psychoanalytic feminism and ecofeminism The fifth edition has been thoroughly revised and now includes a new chapter on Third Wave and Third Space Feminism Also added to this edition are significantly expanded discussions on women of color feminisms psychoanalytic and care feminisms as well as new examinations of queer theory LGBTQ and trans feminism Learning tools like end of chapter discussion questions and the bibliography make *Feminist Thought* an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates

Queer Airwaves: The Story of Gay and Lesbian Broadcasting Phylis W Johnson, Michael C Keith, 2014-12-18 This book is both a retrospective history of the gay community's use of electronic media as a way of networking and creating a sense of community and an examination of the current situation an analysis and critical assessment of gay lesbian electronic media Keith and Johnson use original interviews and oral history to delineate the place of electronic media in the lives of this increasingly visible and vocal minority in America

Troubling Intersections of Race and Sexuality Kevin K. Kumashiro, 2001 In recent years researchers have considerably expanded our understanding of the experiences of students of color and of students who are gay lesbian bisexual transgendered and questioning ie Queer They have provided us with rich resources for addressing racism and heterosexism however few have examined the unique experiences of students who are both queer and of color and few have examined the heterosexist or white centered nature of anti racist or anti heterosexist education respectively What of the students and educators who live and teach at the intersection of race and sexuality By combining autobiographical accounts with qualitative and quantitative research on queer students of different racial backgrounds these essays not only trouble the ways we think about the intersections of race and sexuality they also offer theoretical insights and educational strategies to educators committed to bringing about change

Black Like Us Devon Carbado, 2011-11-01 Winner of the 2003 Lambda Literary Award for Fiction *Anthology Showcasing the work of literary giants like Langston Hughes James Baldwin Audre Lorde Alice Walker and writers whom readers may be surprised to learn were in the life* *Black Like Us* is the most comprehensive collection of fiction by African American lesbian gay and bisexual writers ever published From the Harlem Renaissance to the Great Migration of the Depression era from the postwar civil rights feminist and gay liberation

movements to the unabashedly complex sexual explorations of the present day Black Like Us accomplishes a sweeping survey of 20th century literature **Black Queer Studies** E. Patrick Johnson, Mae G. Henderson, 2005-11-01 A groundbreaking collection of sixteen essays that examines the productive intersection of the fields of black and queer studies
