Dangerous Perfection:

Dangerous Perfection Ursula Kastner, David Saunders, 2016-06-01 In 2008 the Berlin Antikensammlung initiated a project with the J Paul Getty Museum to conserve a group of ancient funerary vases from southern Italy Monumental in scale and richly decorated these magnificent vessels were discovered in hundreds of fragments in the early nineteenth century at Ceglie near Bari Acquired by a Bohemian diplomat they were reconstructed in the Neapolitan workshop of Raffaele Gargiulo who was considered one of the leading restorers of antiquities in Europe His methods exemplify what was referred to as *une perfection dangereuse* an approach to reassembly and repainting that made it difficult to distinguish what was ancient and what was modern Bringing together archival documentation and technical analyses this volume provides a comprehensive study of the vases and their treatment from the nineteenth century up to today In addition to lavish illustrations two in depth essays on the history of the vases and on Gargiulo's work as well as detailed conservation notes for each object this publication also features the first English translation of Gargiulo's original text on his understanding as to how ancient Greek vases were manufactured This is the companion volume to an exhibition on view at the Getty Villa from November 19 2014 to May 11 2015 and then at the Antikensammlung Staatliche Museen zu Berlin from June 17 2016 to June 18 2017

Dangerous perfection Abbi Glines, 2018-06-13 **Underworld** David Saunders, 2022-01-11 Abundantly illustrated this essential volume examines depictions of the Underworld in southern Italian vase painting and explores the religious and cultural beliefs behind them What happens to us when we die What might the afterlife look like For the ancient Greeks the dead lived on overseen by Hades in the Underworld We read of famous sinners such as Sisyphus forever rolling his rock and the fierce guard dog Kerberos who was captured by Herakles For mere mortals ritual and religion offered possibilities for ensuring a happy existence in the beyond and some of the richest evidence for beliefs about death comes from southern Italy where the local Italic peoples engaged with Greek beliefs Monumental funerary vases that accompanied the deceased were decorated with consolatory scenes from myth and around forty preserve elaborate depictions of Hades's domain For the first time in over four decades these compelling vase paintings are brought together in one volume with detailed commentaries and ample illustrations The catalogue is accompanied by a series of essays by leading experts in the field which provides a framework for understanding these intriguing scenes and their contexts Topics include attitudes toward the afterlife in Greek ritual and myth inscriptions on leaves of gold that provided guidance for the deceased funerary practices and religious beliefs in Apulia and the importance accorded to Orpheus and Dionysos Drawing from a variety of textual and archaeological sources this volume is an essential source for anyone interested in religion and belief in the ancient Mediterranean

Appassionata Eva Hoffman, 2009-05-05 Selected as one of Oprah.com's 20 Tantalizing Beach Reads Selected as a New York Times Book Review Editors Choice Isabel Merton is a renowned concert pianist whose performances are marked by a rare responsiveness to the complexities of her art and its intensities of feeling At the height of her career she feels

increasingly torn between the compelling musical realm she deeply inhabits and her fragmented itinerant artist's life with its frequent flights anonymous hotels and brief arbitrary encounters Away from her New York home on a European tour Isabel meets a political exile from a war torn country a man driven by a rankling sense of injustice and a powerful desire to vindicate his cause and avenge his people As their paths cross in several cities they are drawn to each other both by their differences and their seemingly parallel passions until a menacing incident throws her into a creative crisis and forces her to reevaluate his actions and her own motives In this story of contemporary love and conflict Hoffman illuminates the currents and undercurrents of our time as she explores the luminous and dark faces of romanticism and those perennial human yearnings frustrations and moral choices that can lead to destructiveness or the richest art *Scandalous Times* Alex Ling, 2020-10-15 We live in scandalous times Every day some new controversy demands our attention our emotional investment and ultimately our judgment Many of these routine transgressions will be understood in revelatory terms as peeling back the multiple layers of artifice and spin to reveal an underlying and oftentimes disturbing truth Others will be recognized as calculated marketing exercises that simply present the strategic face of contemporary capitalism Yet these ordinary scandals can themselves be seen to be largely derivative of another altogether more fundamental and fundamentally rare form of disruption Such is the real scandal that accompanies instances of authentic creation Building on the philosophy of Alain Badiou *Scandalous Times* not only argues the case for such real scandal but also shows how it is today being abrogated and substituted through the increasing production of novel forms of state sanctioned controversy From Duchamp to Donald Trump *Scandalous Times* explores the ways in which areas from art and advertising to politics and social media have come to actively contribute to this static fabrication of controversy all the while arguing for the need to rethink creativity as a radical exception to the state and not its proxy **Music of a Bleeding Heart** Jennifer, 2012-07-23 *Music of a Bleeding Heart* is the combination of the author's love of music complementing the themes of her poems If you love the beauty of love and life then you'll enjoy the music of her bleeding heart *Yuga* Marty Glass, 2001 *YUGA* describes five falls the Fall into Time the Reign of Quantity the Mutation into Machinery the End of Nature and the Prison of Unreality Taken together these comprise the fate of historical humanity and are the author is convinced one way trips And the urban industrial vehicular commercial technological pharmaceutical electronic information spectator secular society they have produced has ripped the human world to shreds The book is hard hitting but readers who find it disturbing overlook the invincible beatitude that undergirds its every line When we awaken from our modern nightmare as sooner or later we all shall this book will help us remember what that nightmare was In *YUGA* the perennial wisdom has found a new and clarion voice Glass's poetic and novelistic vocabulary combined with exhaustive and blithely eclectic research the mind boggling diversity of his sources and references even the peculiar Table of Contents is a radical departure Equally at home with the Diamond Sutra and the Grundrisse of Karl Marx while being a careful student of magazine displays at the checkout counters

of supermarkets the author cheerfully presents his book as a provocation rather than as argument But the master achievement of YUGA which lies neither in its argument nor its style is its voice That voice speaks so palpably from the author's heart that we find it resonating in our hearts as well The final pages of YUGA are celebrations of joy and love and the discerning reader will detect those qualities lurking between the lines of the book's every page For remember Marty Glass is a spokesman for the truth that underlies all the world's wisdom traditions Behind the world of appearances samsara maya and the shadows on Plato's cave stands the uncreated Light Reality which is eternal Bliss This reality speaks to individuals in the darkest of times and its grace never falters No one need be completely captive to history's downward trajectory Its dream unfolds and we can actually love that dream if we are awake to the fact that it is we ourselves that are collectively the immortal Dreamer The message of YUGA is the message of Tradition the Sophia Perennis Huston Smith author of *The World's Religions* etc For those seriously concerned with the plight of present day humanity and the unprecedented crises through which human society is passing this book offers many profound insights It can offer guidelines and openings onto the understanding of the traditional world and that perennial wisdom whose loss has brought about the present age of spiritual darkness Seyyed Hossein Nasr author of *Knowledge and the Sacred* etc **History of the War in Hungary in 1848 and 1849** Otto von Wenckstern, 1859 *Drawing the Greek Vase* Caspar Meyer, Alexia
