Dare The Devil Romantic Comedy:

Dare The Devil (Romantic Comedy) Elaine Raco Chase,2016-03-01 Save a horse Ride this devil of a cowboy Welcome to Glacier Country Luthor Devlin and his ranch hands were out tracking 20th century rustlers when they thought they stepped into a time warp There on the jagged cliffs was a woolly mammoth a sabre toothed tiger and her A tawny near naked savage She was a primal fantasy come true that left him stunned She was wild irresistible and he was the man to tame her Or was he She dared the devil every day why not Luthor Devlin *Double Occupancy (Romantic Comedy)* Elaine Raco Chase,2016-03-01 Meet Casey Reynolds she is NOT thin petite clueless virginal or submissive Which is exactly why Travis Craig wanted to kick down her door and throw her on that bed All Casey Reynolds wanted was peace and quiet and a long vacation from covering the crime beat in Boston That s why she agreed to borrowing a villa in Mexico to rest be alone and work on her novel Then he showed up Travis Craig He said he was offered the villa to recover from a serious illness He had just lost his teaching job and had no money to leave She agreed with his plan to share the house but on her terms Soon rest and relaxation were a thing of the past when their double occupancy proved to erotic to control Calculated Risk (Romantic Comedy) Elaine Raco Chase,2016-03-01 Lady I want you to stop seducing my son Hell what are you thirty two thirty four Rob is seventeen there s room for a whole other person In one of Nashville s poshest restaurants began a stream of threats against Stephanie Brandt along with a heavy hand mangling her shoulder followed by a bill shoved into the middle of her dinner by a big man wearing work boots denim and a T shirt with an obscene foreign word printed on it Until Quintin Ward stormed into her life with his threats and accusations Stevie had not known his son Rob even existed let alone was her mailroom clerk When she s finally able to convince Quintin that she has no designs on his son they embark on a campaign to squelch Rob s fantasy love life with his boss But their very calculated risk backfires *The Woman Who Dared* William M. Drew,2023-03-07 In the early days of motion pictures before superstars before studio conglomerates before even the advent of sound there was a woman named Pearl White 1889 1938 A quintessential beauty of the time with her perfectly tousled bob and come hither stare White s rise to stardom was swift her assumption of the title of queen of American motion picture serials equally deserved Born the youngest of five children in a small rural Missouri farm town White first began performing in high school She would eventually make the decision to cut her education short dropping out to go on the Trousdale Stock Company A bit player in the early years of her career she was eventually spotted by the Powers Film Company in New York She made her film debut in 1910 and soon set herself apart from her female colleagues with her reputation for fearless performances that often involved her own stunt work It was that same daring attitude that would put her on the map internationally as an actress From flying airplanes to swimming across rapid rivers to racing cars in serials like *The Perils of Pauline* 1914 White was undaunted by the demands of her onscreen career She went on to star in popular serial classics such as *The New Exploits of Elaine* 1915 *The Iron Claw* 1916 *The Fatal Ring* 1917 and *The Lightning Raider* 1919 As active

socially as she was professionally White would also lend her audacious spirit to activism as she took part in the early feminist movement Her bravery and mastery of her craft made her a positive role model for suffragettes who battled for women s rights in the United States The Woman Who Dared The Life and Times of Pearl White Queen of the Serials is the first full length biography of this pioneering star In this study of film history and female agency Drew delves into the cultural impact of White s work and how it evolved along a concurrent trajectory with the social upheavals of the Progressive Era No Easy Way Out Elaine Raco Chase,2016-03-01 She was willing to take off everything but her mask Engineering robots and all non living creatures was easy for Virginia not so much with people So when her best friend dragged her to the company Halloween party Virginia went kicking and screaming well as much as her Playboy bunny costume allowed for any movement But with her mask in place and her normal reserve as tiny as her costume Dr Farrell suddenly let loose Wild and wanton she fell into the muscular arms of the costumed and masked Bandit His virile charms and passionate kisses penetrated her reserve At the stroke of midnight when the masks were to come off Virginia fled leaving her bunny tail in the palm of the handsome bandit s hand Dr Alex Braddock was determined to find the curvy ass that fit the tail He was stunned whit it appeared that his new boss Dr Farrell was his sexy rabbit But was it the prim professional Virginia She resembled oatmeal Or her wanton twin sister Ginger She got turned on by the navel in an orange
