ETHICAL PROPHECY IN MINISTRY

Daring To Speak In Gods Name Ethical Prophecy In Ministry:

Daring to Speak in God's Name Mary Alice Mulligan, Rufus Burrow, 2002 Mulligan and Burrow focus on God's expectation that justice and righteousness be carried out in the world. One key aspect of this is that although we must constantly struggle to do what God requires, there is the divine promise that God will never abandon us. The authors create a model for ethical prophecy utilizing the 8th century B.C.E. Hebrew prophets and present a discussion on practical applications in church settings.

An Introduction to Ministry Ian S. Markham, Oran E. Warder, 2016-01-19 An Introduction to Ministry is a comprehensive and ecumenical introduction to the craft of ministry for ministers, pastors, and priests that make up the mainline denominations in the United States. Ecumenically focused, it offers a grounded account of ministry covering areas such as vocation, congregational leadership, and cultivation of skills for an effective ministry. It covers the key components of the M.Div. curriculum, offering a map and guide to the central skills and issues in training. It explores the areas of vocation, skills for ministry, and issues around congregational leadership. Each topic ends with an annotated bibliography providing an indispensable gateway to further study. It helps students understand both the distinctive approach of their denomination and the relationship of that approach to other mainline denominations. It advocates and defends a generous understanding of the Christian tradition in its openness and commitment to broad conversation.

Ethical Prophets along the Way Rufus Burrow Jr., 2019-12-27 The Hebrew prophets of ancient Israel strove to convey God's point of view to the people and the powers at a time when injustice, deceit, malfeasance, and crushing the poor and the oppressed was prominent, much like today. The prophets spoke courageously and emphatically about God's profound and unrelenting concern and compassion for human beings. Much influenced by the theology of prophecy developed by Rabbi Abraham Joshua Heschel, this book discusses the nature, meaning, and relevance of ethical prophecy at a time when democracy in the United States of America and elsewhere is under vicious assault from the religious and secular right and authoritarian politicians who openly flirt with and support murderous dictators, sexism, homophobia, racial bigotry, anti-Semitism, and hatred of Muslims, both in word and practice. An examination of the contributions of eight powerful personalities from the period of American slavery through the post-civil rights era: Angelina Grimké, Ida B. Wells, Abraham J. Heschel, James Baldwin, Malcolm X, Martin Luther King Jr., Oscar Romero, and Alice Walker, offers a recipe for addressing this state of affairs.

Conversation as Ministry: Douglas Purnell, 2003-10-22 Douglas Purnell draws upon his experience as a pastor, counselor, and therapist to give both lay and ordained Christians the resources they need to engage in caregiving conversation intentionally, deeply, and confidently. In *Conversation as Ministry: Stories and Strategies for Confident Caregiving*, Purnell shares his reflections on the nature of pastoral conversation and he presents questions for specific conversations to help people focus on their intentions while engaging in pastoral conversation.

Preaching God's Transforming Justice Ronald J. Allen, Dale P. Andrews, Dawn Ottoni Wilhelm, 2012-01-01 A unique lectionary commentary focusing on matters of social justice. *Extremist for Love*

Rufus Burrow, 2014 On June 5 2002 fourteen year old Elizabeth Smart the daughter of a close knit Mormon family was taken from her home in the middle of the night by a religious fanatic Held captive by him and his wife Elizabeth suffered daily physical and emotional abuse Rescued nine months later she rejoined her family Now for the first time Smart tells the story of how she survived and endured and found the strength to pick up the pieces of her life Bestseller *The Voice of Conscience* Lewis Baldwin, 2010-09-28 Martin Luther King Jr is celebrated widely as the quintessential model of Christian activism in his time but his understanding of and vision for the church has been surprisingly neglected In this book Lewis V Baldwin contends that King was fundamentally a man of the church Beginning with King s roots in Atlanta s Ebenezer Baptist Church Baldwin traces the evolution of King s attitude toward the church through his college seminary graduate school and civil rights years The emphasis is on King s concept of the church as the voice of conscience Baldwin persuasively claims that King challenged the church over the need for a higher spiritual and ethical ideal and that King s moral leadership and eventual martyrdom did much to reestablish the credibility of the church at a time when some theologians were declaring the death of God Baldwin critiques the contemporary church on the basis of King s prophetic model and concludes by insisting that this model not the entrepreneurial spirituality of the contemporary megachurches embodies the best potential for much needed church renewal **Holding Up Your Corner** F. Willis Johnson, 2017-01-03 Holding Up Your Corner Talking About Race in Your Community equips pastors to respond with confidence when crises occur lower their own inhibitions about addressing this topic and reclaim their authority as prophetic witnesses and leaders in order to transform their communities Pastors and other church leaders see to varying degrees racially rooted injustice in their communities Most of them understand an imperative as part of their calling from God to lead their congregations to address and reverse this injustice For instance preachers want to be preaching prophetically on this topic But the problems seem irreversible intractable overwhelming and pastors often feel their individual efforts will be futile Additionally they realize that there is a lot of risk involved including the possibility that their actions may offend and even push some members away from the church They do not know what to do or how to begin And so even during times of crisis pastors and other church leaders typically do less than they know they could and should This book provides practical foundational guidance showing pastors how to live into their calling to address injustice and how to lead others to do the same Holding Up Your Corner prompts readers to observe identify and name the complex causes of violence and hatred in the reader s particular community including racial prejudice entrenched poverty and exploitation segregation the loss of local education and employment the ravages of addiction and so on The book walks the church leader through a self directed process of determining what role to play in the leader s particular location Readers will learn to use testimony and other narrative devices proclamation guided group conversations and other tactics in order to achieve the following Open eyes to the realities in the reader s community where God s reign kingdom is not yet overcoming selfishness injustice inequality or the forces of evil Own the calling and responsibility we have

as Christians and learn how to advocate hope for God's kingdom in the reader's community Organize interventions and activate mission teams to address the specific injustices in the reader's community What Does Holding Up Your Corner Mean The phrase holding up your corner is derived from a biblical story Mark 2:1-5 about four people who take action in order to help another person literally delivering that person to Christ For us holding up your corner has meaning in two aspects of our lives today First it refers to our physical and social locations the places where we live and work and the communities of which we're a part These are the places where our assumptions attitudes and beliefs have influence on the people around us When we feel empowered to speak out about the injustice or inequity in our community we are holding up our corner Second the phrase refers to our actions the ways we step up to meet a particular problem of injustice or inequity and proactively do something about it When we put ourselves literally next to persons who are suffering and enter into their situation in order to bring hope and healing to the person and the situation we are holding up our corner just like the four people who held up the corner of the hurting man's mat

Reclaiming the Great World House Lewis V. Baldwin, Vicki L. Crawford, 2019
Reclaiming the Great World House in the 21st Century Cross Disciplinary Explorations of the Vision of Martin Luther King Jr does just that Established and emerging scholars explore Martin Luther King Jr's global vision and his lasting relevance to a globalized rights culture The editors further explain that this edited collection looks at King afresh in his own historical context while also refocusing his legacy of ideas and social praxis in broader directions for today and tomorrow Employing King's metaphor of the great world house with major attention to racism poverty and war or what he called the evil triumvirate the focus is on King's appraisal of and approach to the global human struggle in the 1950s and 60s and on the extent to which his social witness and praxis takes on new hues and pertinence not only in the ongoing struggles against racism poverty and economic injustice and violence and human destruction but also in the mounting efforts to eliminate problems such as sexism homophobia and religious bigotry and intolerance from the global landscape The conclusion is that King's ideas and models of social protest are not only alive but also growing in vitality and popularity in the 21st century especially as humans worldwide are struggling daily with the lingering antiquated thinking and behavior around race and ethnicity the widening gap between the haves and the have-nots the mounting cycles of violence torture and terrorism and the frustrating and growing chasms resulting from religious pluralism and the subordination and marginalization of certain sectors of the human family based on gender and sexuality
