Dark End Of The Street:

Dark End of the Street Andrew Madigan, 2021-12-11 Horvath works for the Firm He s been sent to track down Van Dyke who ran off with their money The morning after he meets Lana She s also looking for someone so they team up He s not sure if he can trust Lana but he s attracted to her And she s all he s got The city is dirty violent and corrupt Run by the Syndicate criminals control the police the mayor and the city council Horvath s leads don t seem to lead anywhere He wanders through the city looking for clues sipping espresso drinking whiskey and popping aspirin like breath mints Danger follows his every step but he doesn t carry a gun That s his code something his mentor McGrath taught him years ago But in a city that s too broken to fix can Horvath put the pieces together *The Dark End of the Street* S. J. Rozan, Jonathan Santlofer, 2010-05-11 An anthology of crime tales by some of today s favorite authors features an Edgar Award winning coeditor and is complemented by original black and white art in a volume that includes contributions by such names as Lawrence Sanders Michael Connelly and Joyce Carol Oates Original ***The Dark End of the Street*** Maria Damon, 1993 *Summary of Danielle L. McGuire's At the Dark End of the Street* Everest Media, 2022-05-27T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Rosa Parks s father James McCauley was a builder and stonemason who had a light coloration that mocked the new segregation laws He built beautiful homes for white families in the Black Belt region of Alabama 2 Leona and James McCauley were married in 1912 and they moved to Tuskegee Alabama where McCauley went to work for Booker T Washington s famed Tuskegee Institute Leona was not particularly fond of her in laws and she decided to stay behind with her daughter Rosa when her husband wanted to move north 3 Rosa Parks returned to Abbeville to investigate the rape of Recy Taylor She had not seen her father in years but she remained connected to the black community there She could count on the McCauleys for a hot meal and a warm bed 4 After the gang rape Taylor must have been in extreme pain and shock She could not remember what had happened but her family and friends listened quietly as she told them what had happened She identified the car that the rapists had used and it was registered to one of the men she had named *At the Dark End of the Street* Danielle L. McGuire, 2011-10-04 Here is the courageous groundbreaking story of Rosa Parks and Recy Taylor a story that reinterprets the history of America s civil rights movement in terms of the sexual violence committed against Black women by white men An important step to finally facing the terrible legacies of race and gender in this country The Washington Post Rosa Parks was often described as a sweet and reticent elderly woman whose tired feet caused her to defy segregation on Montgomery s city buses and whose supposedly solitary spontaneous act sparked the 1955 bus boycott that gave birth to the civil rights movement The truth of who Rosa Parks was and what really lay beneath the 1955 boycott is far different from anything previously written In this groundbreaking and important book Danielle McGuire writes about the rape in 1944 of a twenty four year old mother and sharecropper Recy Taylor who strolled toward home after an evening of singing and praying at the Rock Hill Holiness Church in Abbeville Alabama Seven white men

armed with knives and shotguns ordered the young woman into their green Chevrolet raped her and left her for dead The president of the local NAACP branch office sent his best investigator and organizer Rosa Parks to Abbeville In taking on this case Parks launched a movement that exposed a ritualized history of sexual assault against Black women and added fire to the growing call for change

Normalcy Never Again A. Christian van Gorder, Lewis T. Tait, 2025-03-31 Stock worn exhausted and generalized diatribes against racism litter the American horizon Instead of reiterating these arguments the authors of *Normalcy Never Again* share fresh constructive and proactive perspectives in hopes of reinvigorating our nation's ongoing conversation about racist oppression This book is at times personal and painfully honest but it is always passionate about telling the truth and forging pathways forward through specific challenges met with Afrocentric solutions Readers will gain not only a renewed challenge rooted in heuristic insights but also a greater degree of historical insight intercultural understanding and sturdy non artificial hope
