Dark Horse Internship:

The Dark Horse Initiative Jason Shepherd, 2018-10-18 After he endures an arduous screening process a young college student secures a summer internship with the Department of Homeland Security As he gains invaluable experience Brock Cahill has no idea that a chance encounter with a gunman on the street one day will change everything After he singlehandedly takes down the gunman with an evil mission Brock goes about his normal life until he receives a mysterious job offer from the government When he reports to a remote installation to begin training Brock quickly realizes all is not as it seems Hidden deep beneath the installation is a secret facility tasked with a vital mission Soon after Brock learns he has been recruited into a mysterious program known only as Dark Horse he is quickly thrust into a brutal selection process for an elite team of operatives that leaves him struggling to recover from a ruthless attack while proving his worth Looming in the distance is a veiled mission that if discovered could permanently alter the balance of power in Washington and threaten the security of all Americans In this political thriller a young intern is recruited into a covert government intelligence program where he must complete several dangerous missions that include infiltrating a domestic terrorist group

teenaged son Cyril didn't know how to mourn him. But five years later a single bone and a distinctive gold chain are recovered and Pierre is at last declared dead. Which changes everything. At the reading of the will it turns out that instead of a funeral Pierre wanted a roast at a bar no one knew he frequented. The Only Caf in Toronto's east end. He'd even left a guest list that included one mysterious name Ari. Cyril now working as an intern for a major national newsroom and assisting on reporting a story on homegrown terrorism tracks down Ari at the bar and finds out that he is an Israeli who knew his father in Lebanon in the 80s. Who is Ari? What can he reveal about what happened to Pierre in Lebanon? Is Pierre really dead? Can Ari even be trusted? Soon Cyril's personal investigation is entangled in the larger news story all of it twining into a fabric of lies and deception that stretches from contemporary Toronto back to the massacre at the Sabra and Shatila camps in Lebanon in September 1982. The Only Caf is both a moving mystery and an illuminating exploration of how the traumatic past if left unexamined shadows every moment of the present.
