Dark Illumination Book Two Of The Brenna Strachan Series:

Dark Illumination Haden James, 2013-04-25 The True Prophet aka Daniel had said that one of those that had taken the Oath of Protection would betray them And it has happened But Brenna Strachan has been busy adjusting to life as an immortal Not to mention the four Overlords she now lives with or the killing of Chiron Now a rogue Witch bent on destruction will remind her of Daniel's words As she returns to the hunt to track the Witch she must also face down her own fears And deal with the aftermath when the betrayer turns out to be someone very close to her **Dark Resurrections**

Haden James, 2015-02-13 Someone has set about resurrecting the souls of the Four Horsemen Each Horseman is known for their hatred of Humanity and willingness to do anything to eradicate the breed Their plan is to use infants as the vessels for the resurrected With three pregnant women in her family due any day Brenna Strachan must find out how they intend to use the infants for the resurrections As well as discover exactly who is behind this heinous act Her adversaries are doing what they can to keep her off their scent even attacking cities using mythics to keep her busy Can Brenna find out who it is and stop them before her own family becomes their prey **Dark Illumination**

Haden James, 2012-11-20 Brenna Strachan's entire life is ahead of her And it's a long life since she has joined the ranks of the immortal She's returned to work as well and one of her first cases a rogue Witch bent on destroying everything in their way including her Now she must turn to her family and friends for help But among those closest to her is someone who has already betrayed the Oath of Protection The words of the True Prophet are coming to pass and Brenna must deal with the betrayal and her life **Tortured Dreams**

Haden James, 2013-02-22 When the US Marshals Serial Crimes Tracking Unit comes knocking at Aislinn Cain's door she is given a chance to use her past to save other people's futures She has survived attacks by two different serial killers and devoted her life to studying the darker side of human history A new killer is using medieval torture methods to slay his victims She can give them a glimpse into his twisted world but not without a cost If she opens herself she risks falling into the depths of her own darkness Can she afford to help knowing that the cost could be her own humanity **Dark Cotillion**

Haden James, 2012-08-31 Brenna Strachan is getting ready to turn 30 For a demon this is the time of maturing She'll gain all her demon powers and have eternity to learn to use them But maturing has a drawback for the next month she's mortal Prophecy says she'll become one of the most powerful beings on Earth There's a long list of beings who fear and loathe the power that Brenna might gain and are willing to take advantage of her status as a mortal However when one of her own family members is involved in plotting her death it's becomes about more than just survival **Summoned Dreams**

Haden James, 2015-02-15 The most violent city in the United States doesn't normally garner much attention from the SCTU Victims are easy to find on the destitute streets and dark alleys They are even easier to prey upon as they desperately cling to hope Their bodies are easy to hide in the abandoned houses and buildings that litter Detroit In a city turning into a ghost town serial killers stalk the trapped residents with hellish delight One killer gains national attention even among the most vile and

violent Detroit has to offer He isn't just killing his victims he's burning their bodies and the buildings they are in with impunity He does not hunt in the shadows but takes his victims during the cold light of day He's methodical calculating and leaves no clues for the police to follow Leads are so few and the kills so brazen that Aislinn Cain and the SCTU pack their bags and head for the grim streets of Detroit It is in this desolate waste of a city that they will face their most depraved and deceptive serial killer yet

Explosive Dreams Haden James, 2015-02-13 A bomber is terrorizing county fairs and one of the SCTU will fall Bright midway rides with loud music and flashing lights barkers trying to get people to spend money on rigged games the normal sounds of county fairs everywhere until an explosion rips through the tinny music of the carnival rides Now the screams are not squeals of delight but the terrified shrieks of the dying The danger is no longer imaginary something to shrug off when the ride is over A killer is studying each fair looking for that special ride that will rain down the most horror The bombs he sets brings complete destruction They leave a dirty field covered in broken bodies and crumpled machinery The Serial Crimes Tracking Unit has their hands full searching for his next target and sifting through bodies Aislinn Cain is having trouble getting into the mindset of the bomber Her failure to relate makes the body count climb Then the unimaginable a member of the SCTU gets cut down How far will Aislinn go to get justice for her fallen friend and catch the killer

Cannibal Dreams Haden James, 2015-02-13 Some family trees need trimming When pairs of feet start turning up in Columbia Missouri it becomes apparent that a serial killer is prowling the streets However the feet are not giving away many secrets and without bodies it is impossible to identify the victims The investigation stalls and the killer is free to slaughter as many victims as he can find When Aislinn Cain and the SCTU shows up Aislinn realizes that this isn't a new serial killer He's terrorized her hometown before Her father worked the case the first time with only an exotic bite mark as a clue Now Aislinn will start the manhunt of her life as she becomes determined to catch the monster that eluded her father As she sinks further into the hunt she'll uncover a horrifying past that proves skeletons should stay locked in closets

Battered Dreams Haden James, 2015-06-01 San Marcos Texas A picture perfect American landscape Communities dominated by Friday Night Football modest homes and happy families Until the serenity of small town life is broken by one family's discovery of bodies in an abandoned well Local police try to keep the discovery quiet they seldom deal with murder and aren't prepared when one of the bodies turns out to be a local high school boy The multiple murders drive home the sinister reality that they are no longer innocent of the crimes that plague large cities Based on the skill involved the Serial Crimes Tracking Unit realizes that this is not the killer's first time As the SCTU digs deep to discover the killer they uncover more victims Anger and fear begin to cause panic in what was once a quiet community Aislinn Cain and the members of her team need to find the killer before the town implodes with terror and the citizens begin doling out their own brand of justice

Tales to Read Before the End of the World Haden James, 2012 This is a collection of short stories exploring the absurd Most of the short stories contained within this book revolve around central themes Everything Changes is about the vanity of

the human condition Faking It takes aim at the absurdity of modern society And Beale Street Blues explores the breakdown of communication within a relationship These three themes are continuously prodded while the reader attempts to understand them The exceptions are Ascension and The Worst Date Ever Ascension is piece of historical fiction based in Ancient Egypt And while it doesn t explore the absurdity of modern society it does exploit some of the absurd notions of even our greatest ancient civilizations The Worst Date Ever takes everything terrifying and horrendous about the world of dating and combines them into a comedy of errors
