Creatures Of Philippine Lower Mythology

Theresa Bane

Creatures Of Philippine Lower Mythology:

Creatures of Philippine Lower Mythology Maximo D. Ramos,1971 **The Creatures of Philippine Lower Mythology** Maximo D. Ramos,1990-01-31 IMAGINARY CREATURES depicted in a people s lower mythology are one of the most important phenomena in their belief systems This is because the common folk in particular must strive to maintain harmonious relations with these creatures a continuous process that permeates many aspects of their everyday lives and requires the intercession of a special person in the community who acts as the medium of communication between them The subject of Maximo D Ramos s work is the creatures of Philippine lower mythology as this level of folklore is called In undertaking this study Dr Ramos directed his efforts to two principal tasks 1 making a taxonomic classification of all the beings which in his opinion fall within the framework of the problem as found in Philippine folk beliefs and 2 correlating the implications of these beliefs in terms of these classifications to education particularly on the elementary level The taxonomic classification is intended to help clear up the confusion that attended earlier studies of these creatures This is indeed the first attempt to systematize the identities of these Philippine mythological beings for the benefit of folklore scholarship More specifically Ramos writes Where names traits and functions appear to have become confused through the process of transfer that constantly occurs in traditional lore it was thought fruitful to point these out and then attempt to account for them In spite of the very extensive Christianization of the Filipinos particularly the lowlanders these mythical entities still persist in their traditional belief systems hence the student of folk traditions cannot ignore them if he is to achieve greater relevance in his studies Little by little the perspective from which these creatures have been traditionally viewed is bound to change until they are accepted as part of our cultural heritage This change is bringing about an understanding of these creatures function in our society The present work is primarily taxonomic in nature but it sheds light into many of the dark corners of Philippine folklore studies and brings to the reader a fuller understanding of the most maligned inhabitants of the Philippine other world Herein lies the major contribution of Dr Ramos a basic recognition and a deeper insight into the cultural heritage of the Filipino **Creatures of Philippine Lower Mythology** Maximo D. Ramos,1990 **The Creatures of Midnight** Maximo D. Ramos,1990-01-10 This book tells about 85 creatures of legend from Philippine Folklore Many people believe that they exist and are afraid of them The people of the ancient Philippines believed many things about the unseen creatures of the Philippine storyland If you have met a good storyteller he may have told you interesting legends about these creatures And you may have asked a lot of questions about them which he could not answer If you want to know more about these beings turn the pages of this book look at the pictures and enjoy what is said about them We call them creatures of midnight because it is said that they show themselves to people about the middle of the night **A Handbook of Philippine Folklore** Mellie Leandicho Lopez,2006 The voluminous book provides a range of international theories and methodologies in analytical folklore investigations and a classification scheme based on genre is offered as the system of taxonomy for

Philippine traditional materials Lopez counts on the regional folklorists to refine the classification according to the texts of their respective areas The different genres too are explained and examined in another part of Lopez s study The reader will definitely find interesting and useful the illustrative examples for each genre

The Aswang Complex in Philippine Folklore Maximo D. Ramos,1971-01-15 The Aswang Complex in Philippine Folklore With Illustrative Accounts in Vernacular Texts and Translations This book is a bold attempt to present to the reader and to students of Filipino society and culture one of the dominant Filipino beliefs the aswang For some strange reason the belief has never been explored for its usefulness in the field of literature or social studies Even educators shy away from it branding the belief as superstitious and therefore hot to be perpetuated While this view is entertained however there is continued use in the schools including the nursery schools of Western tales like Hansel and Gretel Rapunzel Snow White and so forth dealing with witches dwarfs and other people of lower mythology It is sad to note that while we accept these stories as entertaining to our children we reject our own folktales about equivalent characters as superstitious and undesirable It is about time that we changed our perspective that we accepted our own literary heritage and used it if we are to make education meaningful to our children Maximo D Ramos has provided us with one way to achieve this Of course the present volume is only one of his many works on Philippine folklore While he presents the materials in this book as folklore these can also be regarded as ethnographic data in that they deal with one of the dominant aspects of Filipino folk culture The aswang belief may be viewed as socially functional in many communities Our own field notes on the subject matter indicate that aswang tales are used by many people as a medium of social control For example when a child frets at night or becomes unruly during the day adult members of the family or sibling caretakers generally use the aswang belief as a means of quieting the child or of disciplining him When one wishes to protect his fields from unnecessary trespass by others all he has to do is make it known that an aswang haunts the place and no one will dare enter the premises especially at night Deviant behavior is also handled through avoidance and the aswang label is handy for this purpose Once the label is set deviants are either coerced into conformity to what is acceptable behavior or are effectively deprived of their legitimate status in the community Thus seen it is understandable that the aswang belief has persisted in our society over such a long period of time

Encyclopedia of Beasts and Monsters in Myth, Legend and Folklore Theresa Bane,2016-05-09 Here there be dragons this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond Heroes who ventured there were only as great as the beasts they encountered This encyclopedia contains more than 2 200 monsters of myth and folklore who both made life difficult for humans and fought by their side Entries describe the appearance behavior and cultural origin of mythic creatures well known and obscure collected from traditions around the world

Encyclopedia of Spirits and Ghosts in World Mythology Theresa Bane,2016-03-09 Of all the anomalous phenomenon reported ghost sightings are by far the most common The words ghost and spirit are used interchangeably in American English but in other cultures the lingering souls of the departed are

not to be confused with ancestral spirits demonic spirits numens or poltergeists This encyclopedia lists hundreds of entities of the spirit realm from aatxe to zuzeca from world mythology and folklore World Folklore for Storytellers: Tales of Wonder, Wisdom, Fools, and Heroes Howard J Sherman, 2014-12-18 Here is a treasury of favorite and little known tales from Africa Asia Europe the Americas Australia and Oceania gracefully retold and accompanied by fascinating detailed information of their historic and cultural backgrounds The introduction provides an informative overview of folklore its purpose in world cultures and in contemporary society and popular culture Following this the main sections of the book are arranged by tale type covering wonder tales hero tales tales of kindness repaid and hope and redemption and finally tales of fools and wise people Each section begins by comparing the tales cross culturally explaining similarities and differences in the folkloric narratives Tales from diverse cultures are then presented introduced and retold in a highly readable fashion **The Vampire Almanac** J. Gordon Melton, 2021-10-01 Grab a stake a fistful of garlic a crucifix and holy water as you enter the dark blood curdling world of the original pain in the neck in this ultimate collection of vampire facts fangs and fiction What accounts for the undying fascination people have for vampires How did encounters with death create centuries old myths and folklore in virtually every culture in the world When did the early literary vampires as pictured by Goethe Coleridge Shelly Polidori Byron and Nodier as the personifications of man s darker side transform from villains into today s cultural rebels Showing how vampire like creatures organically formed in virtually every part of the world The Vampire Almanac The Complete History by renowned religion expert and fearless vampire authority J Gordon Melton Ph D examines the historic societal and psychological role the vampire has played and continues to play in understanding death man s deepest desires and human pathologies It analyzes humanity s lusts fears and longing for power and the forbidden Today the vampire serves as a powerful symbol for the darker parts of the human condition touching on death immortality forbidden sexuality sexual power and surrender intimacy alienation rebellion violence and a fascination with the mysterious The vampire is often portrayed as a symbolic leader advocating an outrageous alternative to the demands of conformity Vampires can also be tools for scapegoating such as when women are called vamps and bosses are described as bloodsuckers Meet all of the villains anti heroes and heroes of myths legends books films and television series across cultures and today s pop culture in The Vampire Almanac It assembles and analyzes hundreds of vampiric characters people and creatures including Buffy the Vampire Slayer Vlad the Impaler Edward Cullen and The Twilight Saga Bram Stoker Lestat De Lioncourt and The Vampire Chronicles Lon Chaney True Blood Bela Lugosi Dracula Dark Shadows Lilith Vampire Weekend Batman Nosferatu and so many more There is a lot to sink your teeth into with this deep exhumation of the undead Quench your thirst for facts histories biographies definitions analysis immortality and more This gruesomely thorough book of vampire facts also has a helpful bibliography an extensive index and numerous photos adding to its usefulness
