Department of the Army, 1951. **Newly Hired Teachers of Science** Julie A. Luft, Shannon L. Dubois, 2015-12-09. Supporting newly hired science teachers has taken on an increased importance in our schools. This book shares the most current information about the status of newly hired science teachers, different ways in which to support newly hired science teachers, and different research approaches that can provide new information about this group of teachers. Chapters in the book are written by those who study the status of beginning science teachers, mentor new teachers, develop induction programs, and research the development of new science teachers. **Newly Hired Teachers of Science** is for administrators who have new science teachers in their schools and districts, professionals who create science teacher induction programs, mentors who work closely with new science teachers, educational researchers interested in studying new science teachers, and even new science teachers. This is a comprehensive discussion about new science teachers that will be a guiding document for years to come. **STAAR EOC Chemistry Assessment Secrets Study Guide** Mometrix Media LLC, 2016-10-24.
